

FORM 7

MONTHLY PROGRESS REPORT **For March 2018**

Name of Listed Issuer: Hilltop Cybersecurity Inc. (formerly Big Wind Capital Inc.) (the "Issuer").

Trading Symbol: CYBX

Number of Outstanding Listed Securities: 54,915,915

Date: Apr. 9, 2018

Report on Business

- 1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.**

The company continued to develop its core products and establish relationships with potential customers and organizations in the cybersecurity industry.

- 2. Provide a general overview and discussion of the activities of management.**

Management of the company was focused on development of the company's core products, and establishing and maintaining key customers.

- 3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.**

On March 5, 2018, the company announced that it has developed a cryptocurrency wallet protected by biometric security. The prototype device uses Hilltop's patented biometric cryptocurrency security technology to protect and store crypto-coins and private keys in cold-storage.

The new device is designed to combat the wave of attacks on cryptocurrency users and exchanges, which have resulted in thefts in the hundreds of millions. The biometric technology serves as the private key to asymmetrical keys, meaning that the device cannot be accessed without the users' biometric data (such as a thumbprint).

On March 8, 2018, the company announced that it had begun pre-launch testing of its prototype Early Warning System for advanced cyber-threats. The Early Warning System is an enhancement to Hilltop's patented Vauban cybersecurity platform, which automates the management of cyber-attacks for business customers. The

early warning technology is designed to counter a new form of cyber- threat, called a “fileless-attack”, which is able to bypass existing network sensors.

- 4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.**

n/a

- 5. Describe any new business relationships entered into between the Issuer, the Issuer’s affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.**

On March 15, 2018 the company announced that it had partnered with BIG Blockchain Intelligence Group – a developer of Blockchain technology search and data analytics solutions. Hilltop will integrate BIG’s BitRank Verified™ technology into its patented Vauban platform and will enhance anti-money laundering features for any company using or processing cryptocurrency.

With BIG’s BitRank Verified™ technology integrated into Hilltop’s Vauban platform, financial institutions, businesses and exchanges can mitigate their risks of adopting and using cryptocurrencies. BIG will receive a commission fee on transactions processed through Hilltop’s platform that utilizes BIG’s proprietary cryptocurrency verification product, BitRank Verified™.

On March 20, 2018, the announced that it had appointed Bradley Rotter to the Advisory Board. Mr. Rotter has founded and sold several prominent cybersecurity companies, including AirPatrol Corporation, which developed cognitive mobility security technology and was acquired by a defense contractor. He also founded Cyberdeadbolt, which developed and patented a portfolio of security technologies based on human authentication, and was acquired by Rivetz in 2017. In addition, he co-founded Halo Maritime Defense Systems and WatershipBlue Inc. and served on the Board of Sequella Inc. He is the Vice Chairman of Rivetz which is a blockchain focused cyber security company.

- 6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer’s affiliates or third parties or cancellation of any financing arrangements that have been previously announced.**

n/a

- 7. Describe any acquisitions by the Issuer or dispositions of the Issuer’s assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.**

n/a

8. **Describe the acquisition of new customers or loss of customers.**
n/a
9. **Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.**
n/a
10. **Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.**
n/a
11. **Report on any labour disputes and resolutions of those disputes if applicable.**
n/a
12. **Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.**

The company was named as party in a proceeding in The Provincial Court of British Columbia Small Claims Court regarding a disputed amount owing to a former consultant to the company. The proceeding was dated March 16, 2018 for the amount of \$37,173.46. The full claim is being disputed by the company
13. **Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.**
n/a
14. **Provide details of any securities issued and options or warrants granted.**
n/a
15. **Provide details of any loans to or by Related Persons.**
n/a
16. **Provide details of any changes in directors, officers or committee members.**
