

## FORM 7

### **MONTHLY PROGRESS REPORT**

Name of Listed Issuer: CAVU Energy Metals Corp. (the "Issuer").

Trading Symbol: CAVU

Number of Outstanding Listed Securities: 34,707,166 common shares

Date: August 3, 2022 (for the month of July 2022)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**The Issuer is a mining company engaged in the acquisition, exploration and development of mineral projects containing metals used in green technologies and the renewable energy sector.**

**The Issuer is currently focused on the exploration of its Hopper Copper-Gold Project in the Yukon and recently acquired Star Copper-Gold Porphyry Project in BC.**

**On July 11, 2022, the Issuer provided results of the first four diamond drill holes from its exploration program on the Hopper porphyry/skarn copper-gold project in southern Yukon.**

**On July 19, 2022, the Issuer announced it has closed the second and final tranche previously announced non-brokered private placement offering, raising gross proceeds of \$491,000.00. The closing consisted of the issuance of 1,636,666 Units at a price of \$0.30 per Unit. Each Unit consists of one common share of the Issuer, issued on a flow-through basis pursuant to the Income Tax Act (Canada), and one-half of one common share purchase warrant (each whole warrant, a "Warrant"). Each Warrant will entitle the holder thereof to purchase one common share of the Issuer at a price of \$0.50 for a period of two years from the date of issuance.**

**All securities issued under the Offering will be subject to a four-month and one-day statutory hold period.**

2. Provide a general overview and discussion of the activities of management.

**Please see section #1.**

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

**On July 11, 2022, the Issuer provided results of the first four diamond drill holes from its exploration program on the Hopper porphyry/skarn copper-gold project in southern Yukon. The Hopper Project is located in the traditional territory of the Champagne and Aishihik First Nations.**

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.
