

## FORM 7

### **MONTHLY PROGRESS REPORT**

Name of Listed Issuer: Atmofizer Technologies Inc. (the “Issuer”).

Trading Symbol: ATMO

Number of Outstanding Listed Securities: 8,640,873 common shares Date: November 5, 2023

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer’s obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer’s ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are “material information” as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term “Issuer” includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer’s business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer has been focused on managing its supply chain to produce its products and developing its products for new applications and new features. The Issuer has been

---

developing its HVAC technology to incorporate Atmofizer's agglomeration technology into a HVAC environment. It has arranged for the manufacture of its first HVAC units for sale in 2023. They are expected to be completed during the fourth quarter of 2023. The Issuer also been developing its brand and marketing materials to support its HVAC sales and has been recruiting additional sales agents and distributors.

2. Provide a general overview and discussion of the activities of management.

Management focused on product development of new product offerings, technology development of Atmofizer's agglomeration technology to work with HVAC and generating sales of the Issuer's existing products. Management was active in pursuing business development opportunities to integrate the Issuer's core technology into other air filtration systems, furthering the Issuer's intellectual property portfolio through patent filing activities and providing oversight to the Issuer's supply chain.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

The Issuer continued to develop its new product prototypes during the month. The main focus has been to develop the Atmofizer technology for the HVAC market.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

Not applicable.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

Not applicable.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

Not applicable.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets

acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

Not applicable.

8. Describe the acquisition of new customers or loss of customers.

Not applicable

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

The Issuer continues to maintain its patent portfolio and work to receive additional patents based on current applications.

10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

(a) N/A

11. Report on any labour disputes and resolutions of those disputes if applicable.

There have no labour disputes during the month

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

There are no legal proceedings.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

There has been no indebtedness incurred or repaid during the month.

14. Provide details of any securities issued and options or warrants granted.

On February 23, 2022 the Issuer announced an at-the-market equity program (the "ATM Program") that allows the Issuer to issue and sell up to \$5,000,000 of Common Shares from treasury to the public, from time to time, at the Issuer's discretion. All Common Shares sold under the ATM Program will be made through sales that are deemed to be "at-the-market distributions" as defined in National Instrument 44-102 –

Shelf Distributions through the Canadian Securities Exchange (“CSE”) or any other “marketplace” in Canada as defined under applicable securities laws. The ATM program was terminated on August 29, 2023.

Provide details of any loans to or by Related Persons.

There have been no loans made to or by Related Persons.

15. Provide details of any changes in directors, officers or committee members.

Not applicable

16. Discuss any trends which are likely to impact the Issuer including trends in the Issuer’s market(s) or political/regulatory trends.

The Issuer continues to focus on developing air purification solutions for businesses, personal spaces, government, and schools.

## Certificate Of Compliance

The undersigned hereby certifies that:

1. The undersigned is a director and/or senior officer of the Issuer and has been duly authorized by a resolution of the board of directors of the Issuer to sign this Certificate of Compliance.
2. As of the date hereof there is no material information concerning the Issuer which has not been publicly disclosed.
3. The undersigned hereby certifies to the Exchange that the Issuer is in compliance with the requirements of applicable securities legislation (as such term is defined in National Instrument 14-101) and all Exchange Requirements (as defined in CNSX Policy 1).
4. All of the information in this Form 7 Monthly Progress Report is true.

Dated November 5, 2023.
