The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

## Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Quizam Media Corporation (the "Company")'s principal business activities consist of providing computer training and consulting services, marketing of a computer based educational program and film production. The Company also produces high quality Media for streaming on the Internet. It produces and acquires content for both Entertainment (quizamentertainment.com) and Corporate Education (ontracktv.com/quizam.com).

One of the most successful online training platforms, OnTrack TV, is developed. It has received a great deal of attention in Canada, US, and UK. OnTrack TV distributes on-line information technology learning over the internet. The business model is based on self-service through a website with residual subscriptions. People are going to the OnTrack TV site and using the training. Our continued increase in OnTrack TV Web-Hits supports this.

The Company continues to enhance OnTrack TV. Our two main areas of OnTrack TV development include the LMS (learning management system) and content. More recently we have invested much time and effort to ensure our content is of the highest quality. As software companies continue to release new versions, we continue to develop OnTrack TV content for these new versions.

The Company is expending to a new industry, Cannabis. Quantum1 Cannabis Corp.'s, subsidiary of Quizam Media Corp., has obtained six licences to operate 6 stores in Keremeos, Grand Forks, Vernon, Creston, Terrace and North Vancouver. The management team is still working on leasing storefront premises and operating retail stores.

In June 2020,

Quizam Media Corp.'s consolidated its issued and outstanding common shares on the basis of one post consolidation common share for 12 pre consolidation common shares. As a result, the outstanding shares of the company will be reduced to approximately 5,947,677 common shares. The name and symbol will not change. It started trading on a consolidated basis since May 29, 2020 and the record date is June 1, 2020

Quizam tried to raise \$250,000 by Private Placement in June, but it was cancelled at the beginning of July due to the effects of COVID-19.

In the effort combat the spread of COVID-19, most of the Company's training is delivered virtually on-line featuring a live interactive instructor and easy-to-follow award-winning curriculum. Participants can virtually engage in on-line learning by a live instructor, the classroom is delivered in a virtual cloud-based lab where they can engage and interact just like live classrooms.

For face to face training, On Track is able to make sure students to keep social distance in a classroom and have more access to hand wash and sanitizer.

2. Provide a general overview and discussion of the activities of management.

Management of the Company is working on building a customer base for online virtual training in response to the outbreak of COVID-19.

The Company also continues to explore strategic partners and investments to further expand its products offering.

The Company is expanding to a new industry, Cannabis. The management team is working on operation of cannabis retails, license and leasing storefront premises.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

As software companies continue to release new versions, we continue to develop OnTrack TV content for these new versions.

OnTrack TV is launching new videos about provincial regulations and safety concerns, and other issues related to cannabis.

In the effort combat the spread of COVID-19, the company is now offering its courses virtually on-line featuring a live interactive instructor and easy-to-follow award-winning curriculum.

Participants can virtually engage in on-line learning by a live instructor, the classroom is delivered in a virtual cloud-based lab where they can engage and interact just like live classrooms.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned. **N/A**

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship. **N/A**

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced. **N/A**

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship. **N/A**

8. Describe the acquisition of new customers or loss of customers.

Both On Track (face to face and virtually training) and OnTrack TV (online training platform) gain new individual and business customers every month. Customers discover the training services via word of mouth, internet search, and advertising.

Due to the outbreak of COVID-19, gaining new face to face training customers is difficult. OntrackTV is now offering its courses virtually on-line featuring a live interactive instructor and easy-to-follow award-winning curriculum.

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

15. Provide details of any loans to or by Related Persons. **N/A**

16. Provide details of any changes in directors, officers or committee members. **N/A**

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

As the rapidly evolving COVID-19 pandemic, most of the Company's training is doing online virtually. The company launched its online virtual training last year winter. This is a perfect movement to react against COVID-19 pandemic. This also negatively affect the revenue from face to face training.

The legalization of cannabis will be a signature development in Canada retail market. There is a huge opportunity for Quantum 1 on the potential for first-mover advantage in this new market. Legalization is expected to attract more new consumers and increase frequency of purchase. The high possibility of becoming a complement or a substitute for liquor favours to recreational cannabis industry.
