Name of Listed Issuer: BioMark Diagnostics Inc. (the "Issuer").

Trading Symbol: BUX

Number of Outstanding Listed Securities: 77,974,229

Date: June 2, 2021

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered, nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer continued its business of developing proprietary, non-invasive, and accurate cancer diagnostic solutions which can help detect, monitor, and assess treatment for cancer early, accurately and cost effectively.

2. Provide a general overview and discussion of the activities of management.
 - **The new wave of COVID-19 variants has caused extended delays in clinical trial activities with newly announced lockdowns in Manitoba, Quebec and Ontario. There will be extended closure due to upswing in covid cases. Financial, operational and recovery measures instituted by the management team aided in sustaining business viability over the past 12 months. Financial measures include reducing working capital, delaying capital expenditures(equipment), cost cutting initiatives and tapping into government grants/support programs.**
 - **On May 31, 2021, BioMark announces that it has changed its auditors from Manning Elliott LLP ("Former Auditor") to PricewaterhouseCoopers LLP ("Successor Auditor"). The Former Auditor resigned as the auditor of the Company effective May 17th, 2021, and the board of directors of the Company appointed the Successor Auditor effective as of the same date, until the next Annual General Meeting of the Company.**
 - **BioMark has received quotations from 2 lab equipment vendors for its new operating lab in Quebec City and is looking at installation requirements. In addition, BioMark is looking to hire 3 personnel to support the lab operations and handle research with Dr. Jourbert and his group at IUCPQ.**
 - **BioMark Diagnostics Solutions Inc. presented to several agencies at express network held on May 17, 2021. There was strong reception and there are several initiatives that will be targeted for further local investment support.**

- **Progressive developments in expansion of BioMark's liquid biopsy assay is underway in several facilities. Patents will be generated following additional validation activities**
