1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

GreenBank originally announced on November 27th a delay in filing its Financial Statements and explained that it expected to file the 2018 Annual Financial Statements on or before December 15, 2018. It now expects to file the 2018 Annual Financial Statements together with the Q1 and Q2 Financial Reports before the end of June 2019.

On 5th December 2018, GreenBank Capital was notified by the Ontario Securities Commission that the MRCO which had been filed had not been filed 2 weeks prior to the due date of filing the 2018 Annual Financial Statements, and we were therefore in default of CSE requirements. We were further informed that effective immediately, GreenBank Capital would be suspended pursuant to CSE Policy 3. The suspension is considered a Regulatory Halt as defined in National Instrument 23-101 Trading Rules. A cease trade order has been issued by the Ontario Securities Commission.

GreenBank Capital management is currently working with the Auditors to complete the due consolidated financial statements, to be reinstated for trading on the CSE before the end of June.
