

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: BLOX LABS INC. (the "Issuer" or the "Company").

Trading Symbol: BLOX

Number of Outstanding Listed Securities: 117,423,997

Date: FEBRUARY 4, 2019 – REPORTING ON JANUARY 2019

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Blox Labs Inc. ("BLOX") is a technology development company focused on creating best-in-class software solutions driven by emerging trends in Blockchain, Smart Contracts and Decentralized Applications. BLOX is helping customers with

solutions for business problems from proofs of concept through execution. The Company is currently piloting blockchain solutions for supply chain management and improvement as well as other areas. BLOX is actively targeting partnerships and strategic acquisitions of growth companies.

2. Provide a general overview and discussion of the activities of management.

On January 31, 2019, the Company executed an amendment to its non-binding letter of intent ("LOI") with Best Cannabis Products Inc. ("BCP") wherein BLOX can acquire all of the issued and outstanding securities of Best Cannabis Products in exchange for securities of the Company. Pursuant to the amended LOI, the parties have agreed to extend the deadline to enter into a definitive merger or amalgamation agreement from January 31, 2019 until February 28, 2019 so as to allow the parties sufficient time to complete their full due diligence on the proposed transaction.

BCP is a Canadian company headquartered in Toronto, Ontario that is backed by a group of successful entrepreneurs who have extensive experience in the areas of manufacturing, logistics and renewable energy. BCP recently completed a private financing round and has secured a state of the art agricultural facility in Leamington, Ontario – a preeminent locale for cannabis cultivation in Canada. The current facility consists of 180,000 square feet of cultivation space and is situated on 50 acres of land. BCP has engaged industry experts David Hyde and Associates along with Eurofins to assist with the implementation and compliance with the ACMPR Licensed Producer application process. BCP is awaiting the upcoming recreational legalization in Canada for submittal of its final ACMPR Licensed Producer application as it is understood that there are potentially favorable licensing changes in process. Further, BCP is in active discussions with other Canadian Licensed Producer cannabis companies as potential partners for an expansion site location. There can be no assurance that the current active discussions will lead to the solidification of a partnership.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

None.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.
