

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: Pangea Natural Foods Inc. (the "Issuer").

Trading Symbol: PNGA

Number of Outstanding Listed Securities: 27,435,001

Date: September 7, 2022

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer produces and sells plant-based patties that are both nutritious and non-GMO. Pangea's Plant-Based Patties are manufactured in-house at the Facility in the Vancouver lower mainland, which has been approved by both the Canadian Food Inspection Agency ("CFIA") and the U.S. Food and

Drug Administration (“FDA”). An approval from the CFIA allows a facility to manufacture and package food, among other activities, and distribute such food internationally. An approval from the FDA allows for food products to be marketed and sold in the United States. Once manufactured, the Issuer’s products are then packaged and distributed via its multiple sales channels.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The Issuer's revenues are substantially dependent on the success of its products, which depends upon, among other matters, pronounced and rapidly changing public demands and consumer trends, factors which are difficult to predict and over which the Issuer has little, if any, control. A significant shift in consumer demand away from the Issuer's products or its failure to expand its current market position will harm its business. Consumer trends change based on several possible factors, including, a change in consumer preferences, or general economic conditions. If the Issuer is unable to anticipate and timely respond to challenges that the Issuer may face in the marketplace, trends in the market for its products and changing consumer demands and sentiment, the Issuer's financial results will suffer.

The trends and risks which are likely to impact the Issuer are detailed in the Issuer's final long-form prospectus dated June 21, 2022 under the heading "Risk Factors". The final long-form prospectus is available on the Issuer's SEDAR profile at www.sedar.com.
