MONTHLY PROGRESS REPORT

Name of Listed Issuer: Zinc8 Energy Solutions Inc. (the "Issuer").

Trading Symbol: ZAIR

Number of Outstanding Listed Securities: 75,003,042

Date: April 1st, 2020

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

On March 11, 2020 the issuer announced its first private sector deployment agreement with Digital Energy Corporation to install its first Zinc-Air Energy Storage System in New York State. This deployment agreement between Digital Energy Corporation and the issuer is to install a

100kW/1.5MWh Zinc-Air Energy Storage System. The \$2.5 million project development is being financially supported by a \$600,000.00 CAD contribution by the New York State Energy Research and Development Authority (NYSERDA). Digital Energy Corp, a New York based private sector developer of Combined Heat and Power (CHP) plants, solar systems and microgrids commented that the issuer Zinc-Air Energy Storage System is very promising for integration into their existing and developing customer base of 100 on-site power plants, solar systems and micro-grids.

As well on March 11TH, Zinc8 Energy Solutions announced the settlement of debt and the resignation of a Director. The agreement will see the issuer pay MGX Minerals Inc. \$1,500,000 over the next 4 months. MGX Minerals Inc. had previously claimed a higher amount which was disputed by the issuer. Jared Lazerson has resigned as a Director. Mr. Lazerson will be paid on closing 800,000 units at a deemed price of \$0.38 per unit with each unit comprising 1 Zinc8 common share and 1 share purchase warrant. Each warrant is exercisable for 2 years at a price of \$0.50 for one additional common share. This settles all claims by Jared Lazerson.

On March 17th, 2020 the issuer announced that it is changing the official name of the Company to Zinc8 Energy Solutions Inc. The Company has operated under the business name Zinc8 Energy Solutions for the past half year, but its legal name had not changed until now. The Name Change became effective at opening of the market on March 20, 2020 under the new symbol "ZAIR". The new CUSIP number is 98959U108.
