

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: Metaquest.AI Incorporated (the "Issuer").

Trading Symbol: METG_____

Number of Outstanding Listed Securities: 72,046,599_____

Date: March 31, 2026_____

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Metaquest.ai Incorporated ("Metaquest") operates the Metaquest, BnSellit and BnBuyit e-commerce platforms. These were created to allow owners of short-term rental accommodation (Hosts) to earn additional income by selling or renting items to their Guests during every stay. Using the platform Hosts can easily and quickly build a marketplace to advertise items for sale or rent at a specific location. These

are items a Guest can purchase and use during their stay or take with them when they leave. The BnSellit platform has a unique person-to-person built in communication system securely linking Hosts and Guests together to answer questions about products and services and to facilitate completing a transaction. Each Host is provided with a unique Host ID when they register, this is displayed on signage at the location and can be used by the Guest, utilising the BnBuyit app to view items for sale or rent at the property. BnBuyit is the companion app to BnSellit and allows the Guest to explore items the Host has posted for sale or rent at the location by using the unique Host id. A single BnBuyit app installed on the Guest's mobile device provides access, through the unique Host id, to thousands of participating BnSellit host locations. The Metaguest concierge service allows Hosts to offer their Guests access to hundreds of local experiences, the Guest can browse the experiences and attractions available close by and purchase tickets all through the app. The Metaguest Enterprise division offers the advantages of the Metaguest platform to hotel operators, giving them the ability offer their guests in-room purchases and the concierge service from the comfort of their room, The app links with hotel reward schemes allowing all purchases by the guest to add to their points. Operationally the Corporation has been able to set up many new hotels on the platform and now has a significant number of hotels on the platform.

2. Provide a general overview and discussion of the activities of management.

Management is continuing to onboard to the platform and improve the data analytics tools.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.
