This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term “Issuer” includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Squatex Energy and Ressources Inc. is a junior oil and gas exploration company established in 2001 which main activity is to carry out works and studies aiming at the evaluation and the development of the oil and gas potential of a territory of 656,093 hectares under exploration license in the Province of Québec, in which it is holding a 70% interest.

Exploration activities are suspended by the government of Quebec and therefore Squatex cannot carry out drilling or other exploration activity on the ground. However, a geologist is still under contract with Squatex and continues to analyze geological data recovered in the past. In addition, a well, which is not abandoned, is under observation by this geologist. Even if activities are suspended, the company assumes a minimum fee to keep its permits. The COVID-19 had no impact on these activities.

2. Provide a general overview and discussion of the activities of management.

In December 2021, Squatex continues to analyze geological data recovered in the past.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

No new drilling, exploration or production in December 2021. No acquisitions of properties in December 2021.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

In December 2021, Squatex continues to analyze geological data recovered in the past.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

Squatex does not entered into new business relationship in December 2021.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

No expiry or termination of any contracts or agreements in December 2021.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

No acquisition or disposition in December 2021.

8. Describe the acquisition of new customers or loss of customers.

No new customers or loss of customers in December 2021.

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

No new developments on intangible products.

(1) State aggregate proceeds and intended allocation of proceeds.

15. Provide details of any loans to or by Related Persons.

In December 2021, a company under common control made a new advance of \$ 20,000. The amount owed to the company under common control now stands at \$ 632,600.

16. Provide details of any changes in directors, officers or committee members.

No changes.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The epidemic of COVID-19 and subsequent measures to limit the pandemic have contributed to significant declines and the volatility of the financial markets. The pandemic has affected global business activity, including by significantly reducing global demand for crude petroleum. The full extent of COVID-19's impact on the Company's business and future financial performance is currently unknown. The Company monitors developments in order to be able to take appropriate measures if necessary.
