

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: XTM Inc. (the "Issuer").

Trading Symbol: PAID

Number of Outstanding Listed Securities: 117,173,226

Date: March 5, 2021

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

As XTM's unicorn vertical is hospitality, the spread of COVID-19 posed challenges to the Company's business. The Company is consistently looking for ways to monetize its user base with essential products such as credit. The company also continues to explore other government relief programs available under COVID-19. The Company continues applying and receiving support related to the extended Canada Emergency Wage Subsidy program.

The Company's stock has been holding its price in the mid to high teens with a respectable amount of volume which has triggered early exercising of warrants and options bringing in financing to support operational expenditures.
