Name of Listed Issuer: General Copper Gold Corp. (the "Issuer", or the "Company").

Trading Symbol: GGLD

Number of Outstanding Listed Securities: 88,052,456

Date: June 4, 2026

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

General Copper Gold Corp. (the "Issuer") is an independent mineral exploration company based in Vancouver, B.C. that is engaged in the business of exploring for and evaluating mineral properties. General Copper Gold has explored the Topley Richfield property, and has entered into an option agreement to acquire an 80% interest in an application for an exclusive prospecting licence covering approximately 48,500 hectares of land situated in Namibia.
