Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Company holds an exclusive Canadian license for cannabis based consumer products developed by RISE Research, but it now seeking to expand its participation and reach. The Company continues to plan to be positioned within the most active marketplaces. The Company will initially be offering products based on separate formulations developed with

distinct CBD and THC based components to the California market starting in Q2 of 2018 and will follow on with other US jurisdictions. These solutions will also be presented to the Canadian market when regulatory conditions take effect.

Of important note, the Company will only sell THC-based products under license to third parties in the U.S. until federal law pertaining to cannabis is changed. The primary manufacturing and marketing focus will instead be on CBD products derived from the highest quality CBD hemp certified as 'U.S. Farm Bill compliant' enabling the Company to stay completely aligned with U.S. federal law. This class of product may be sold in most U.S. states and in many countries around the world and means that the Company is not adversely affected in any way by the recent revocation of the 'Cole memo' by the U.S. Department of Justice.
