Trading Symbol: **SQX**

Number of Outstanding Listed Securities: **123,850,656 issued and outstanding**

Date: **March 31, 2024**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer’s obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer’s ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term “Issuer” includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Squatex Energy and Ressources Inc. is a junior oil and gas exploration company established in 2001 which main activity is to carry out works and studies aiming at the evaluation and the development of the oil and gas potential of a territory of 656,093 hectares under exploration license in the Province of Québec, in which it is holding a 70% interest.

The Government of Quebec has put an end to the search for hydrocarbons or underground reservoirs, the production of hydrocarbons and the exploitation of brine. Squatex's permits were revoked on August 23, 2022. Squatex cannot therefore carry out any drilling or other exploration activities on the land. Squatex analyzes the impacts of this revocation and explores other possible avenues for the company. COVID-19 has had no impact on these activities.

2. Provide a general overview and discussion of the activities of management.

In August 2022, the company received the list of exploration licenses revoked in connection with the implementation of the law ending the search for hydrocarbons or underground reservoirs, the production of hydrocarbons and the exploitation brine, as well as the list of drilled wells requiring intervention. In March 2024, the management analysed this information and other opportunities for Squatex.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.
