### MONTHLY PROGRESS REPORT

Name of Listed Issuer: World Class Extractions Inc. (the "Issuer").

Trading Symbol: PUMP

Number of Outstanding Listed Securities: 599,496,572

Date: July 4, 2019

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**On May 1, 2019) the Issuer announced that Quadron Cannatech Corporation ("Quadron") introduced the Big BOSS, the latest model of Quadron's automated, next generation hemp and cannabis extraction system. According to Quadron's press release dated May 1, 2019, the Big BOSS provides the same advantages as the distinguished BOSS, but with significantly larger processing capabilities. The**

**Big Boss is capable of processing up to 3,000lb biomass per day, which translates to 66,000lbs biomass processing per month (based on operating the Big BOSS 5 days per week), and nearly 800,000lbs biomass processing per year.**

**The Issuer and Quadron have signed an arrangement agreement which, subject to satisfaction of all required conditions, would result in the merger of the two entities (the “Arrangement”). “The introduction of the Big BOSS reflects Quadron’s ongoing commitment to leveraging its technical expertise and creating value for shareholders. World Class is extremely excited to complete its previously-announced merger with Quadron, a like-minded company, and work together to become a global leader in in the emerging, and rapidly growing, cannabis oils market,” said Michael McCombie, Chief Executive Officer of World Class.**

**The Issuer also announced that it granted 5,000,000 stock options (the “Options”) each to two officers of Quadron who will become officers of World Class post-Arrangement. The Options are subject to a vesting schedule, with 1,250,000 Options vesting on the date the Company and Quadron complete the Arrangement, and the balance of the Options vesting in increments of 1,250,000 Options every 6 months thereafter. The options will be exercisable post-Arrangement for a period of three years at an exercise price of \$0.21 per Option. However, if the Arrangement is not completed by July 1, 2019, then the Options will expire. The Options and underlying common shares are subject to a four-month hold period in accordance with the policies of the Canadian Securities Exchange.**
