MONTHLY PROGRESS REPORT

Name of Listed Issuer: **Monterey Minerals Inc.** (“Monterey” or the “Issuer”).

Trading Symbol: **MREY**

Number of Outstanding Listed Securities: **60,146,656** common shares

Date: **October 31, 2019**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer’s obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer’s ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term “Issuer” includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Monterey is a BC company that began trading on the CSE on February 5, 2019. Information about Monterey and all of Monterey's press releases are available on its website, www.montereyminerals.com, or on the SEDAR website.

On October 8, 2019, Monterey announced that an exploration program was underway at its wholly-owned Cobalt Mountain Property, in British Columbia. Crews visited and sampled four distinct targets over an 8 km trend including the Balsam, Tina, Zante and Corinth Targets.

On October 29, 2019, Monterey announced initial results from the exploration program at its wholly-owned Cobalt Mountain Property, in British Columbia. The Zante Target showing hosts the largest copper (Cu) and coincidental molybdenum (Mo) anomalies covering an area of 1500m x 1000m with the Cu/Mo overlying geophysical magnetic highs. The Cu anomalies remain open to the east, west and north towards the Tina Target.

In addition to the Zante Target showing, limited sampling indicates coincidental Cu and Mo soil anomalies at Corinth Target along with stockwork Cu mineralization. Both the historic Tina and Balsam Targets returned elevated values for Cu in soils and rock samples.

2. Provide a general overview and discussion of the activities of management.
Management oversaw the activities covered by the press releases noted in Section 1.
3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.
