Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

   Goldblock's agreement with 2294253 Alberta Ltd., ("229"), a private company based in Calgary, AB, provides 229 the option to acquire a 75-per-cent interest in the Issuer's Copper Canyon project. 229 is required to pay Goldblock a total of $245,000 in cash, issue a total of 1.3 million common shares and spend a total of $575,000 in qualified expenditures on the Copper Canyon property by April 25, 2023.

   Terms of the underlying agreement with the Copper Canyon vendors, Goldblock was required to obtain consent to the 229 agreement. On November 18, Goldblock announced that it had reached a consent agreement. Also, an extension of the work commitment of Goldblock's $100,000 expenditure from April 25, 2021 to July 25, 2021 was agreed to. In doing so, it paid one of the private vendors $75,000, being their portion of the cash payment due on April 25, 2021. Thus, the remaining $75,000 cash payment due on April 25, 2021 is now due to the other vendor.

   In addition, 229 signed the consent agreement.

   No field work was carried out on the Issuer's Copper Canyon project in November.

2. Provide a general overview and discussion of the activities of management.

   Various corporate internal meetings and 3rd party discussions regarding possible timing of a financing and new business opportunities took place, with an emphasis on finalizing the consent agreement with the Copper Canyon vendors. Planning, in conjunction with 229, to carry out the required

work programme on the Copper Canyon project is now expected to commence in June of 2021.
