Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive to disclose this fact.

During this month, the Company continued the development and marketing activities in anticipation of launching key market products for commercialization:

A Beta release for our flagship platform 1Shift Logistics, an A.I. and blockchain logistics management solution and marketplace for carriers and shippers. 1Shift is now available for download on the most popular app stores. The focus for the development team in the near future is to monitor the overall performance of the 1SHIFT and to make overall enhancements. The Company is also planning marketing and sales for the 1Shift that will be initiated in May.

The Company has the launched of a digital payments division located in Tech City Grand Cayman that will run in compliment with 1Shift Logistics in the digital payments domain. The Company sees a major benefit of developing a payment solution that can be both a standalone offering with an option of having it integrated into the 1Shift Logistics platform. In coming months, management plans to conduct market gathering intelligence, partnership development meetings and solidify banking relationships.

2. Provide a general overview and discussion of the activities of management.

During the month, 1Shift user trials have been ongoing. The trials included procuring additional mobile handset devices to provide trial customers for use, trial planning, trial user training, and defining a trial feedback loop cycle. The Company is also entering into preliminary discussions with large anchor clients.

Management is planning to restart the Company's idle digital currency mining machines; further details will be provided as decisions are finalised expected to be at the end of June.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

The Company continues to offer A.I. and Blockchain consulting services and has been subcontracted with large Global technology firm for strategic design and development services in Canada.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

None.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

None.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

None.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets

acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation.

State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

None.

8. Describe the acquisition of new customers or loss of customers.

None.

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

None.

10. Report on any employee hirings, terminations or lay-offs with details of the anticipated length of lay-offs.

The Company has closed the Kelowna office and consolidated its human capital in the Burnaby office.

11. Report on any labour disputes and resolutions of those disputes if applicable.

None.

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

None.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

None.

14. Provide details of any securities issued and options or warrants granted.

Security	Number Issued	Details of Issuance	Use of Proceeds ⁽¹⁾
