Each Unit is comprised of a secured convertible debenture in the principal amount of \$1,000 (“**Debentures**”) and 500 common share purchase warrants (“**Warrants**”). The Debentures accrue interest at a rate of 15% per annum. The Debentures are retractable at the option of the Company or redeemable and/or convertible into common shares of GABY (“**Common Shares**”) at the option of the holder, in whole or in part, from the date that is 90 days following the closing of the Offering until maturity at 2 years following the closing of the Offering. The conversion price of the Debentures will be equal to the greater of \$0.37 per Common Share or the closing price of the Common Shares on the last trading day prior to the date of that GABY receives a notice of conversion from the holder. Each Warrant is exercisable at a price of \$0.37 per Common Share for a period expiring 2 years from the closing of the Offering. ¹An issuance of non-convertible debt does not have to be reported unless it is a significant transaction as defined in Policy 7, in which case it is to be reported on Form 10.

In its consideration and approval of the Offering, the board of directors of the Company determined that the Offering will be exempt from the formal valuation and minority approval requirements of MI 61-101 on the basis that the fair market value of the Offering to related parties is not expected to exceed 25% of the market capitalization of the Company, in accordance with Sections 5.5 and 5.7 of MI 61-101.
