

CANNTAB EXCEEDS ALL-TIME HIGH TRADING PRICES AND GRANTS OPTIONS

Toronto, September 19, 2018 (Newswire) – Canntab Therapeutics Limited (CSE:PILL) (“**Canntab**” or the “**Company**”), a leader in the development of the cannabis in tablet or capsule form, is pleased to announce that the Company’s common shares (“**Common Shares**”) yesterday reached new all-time daily high and closing prices of \$1.25 and \$1.22, respectively, on the Canadian Securities Exchange (the “**CSE**”). This constitutes a 25% and 22% premium on the price of the Common Shares that were issued in the Company’s private placement that closed concurrently with its reverse takeover in April. In addition, the Company traded an aggregate of 776,999 Common Shares yesterday, which represents the second highest daily volume in the Company’s history, only being surpassed by the Company’s opening day of trading on April 20, 2018.

“We are proud to report that Canntab is executing on its promise to deliver value and liquidity to our shareholders. Today’s closing price demonstrates that the marketplace believes in our vision, and we intend to continue to reach new highs,” said Jeff Renwick, CEO and a director of Canntab.

Stock Options

The Company also announces that the board of directors has authorized the grant of 100,000 incentive stock options to certain employees and consultants. Each such option entitles the holder to acquire one Common Share for a period of 3 years at an exercise price of \$1.22 per Common Share.
