TRANSACTION REQUEST FORM

Please mark one box only. Please see reverse of this form for instructions.

☐ **Deposit Certificate(s).** Quantity of securities to be deposited into your DRS account.

☐ **Withdraw Certificate.** Quantity of securities for which you would like a certificate issued from your DRS account.

DRE007

About this statement

This is a record of your recent transaction, and shows the resulting number of securities held in your Direct Registration System account as of the statement date. This is not a security certificate and has no monetary value. You should keep this document in a safe place for your records.

How to complete the Transaction Request Form

To deposit additional certificated securities into your account, please complete the Deposit Securities section of the tear off portion of the form on the reverse side, and send with your certificate to TSX Trust Company (preferably by courier or registered mail). Do not endorse the certificate. A further confirmation statement will be sent within two business days of receipt of your request.

To request a certificate, please complete the Issue Securities section of the tear off portion of the form on the reverse side and send to TSX Trust Company at the address shown. A certificate will be sent to you by first class mail along with a confirmation statement within two business days of receipt of your request.

Transferring shares to a Broker (Canada)

If you are a Canadian resident, and wish to transfer some or all of your DRS securities to a broker, please give them a copy of this statement. Brokers must provide the following information for your request to be completed:

- Your TSX Trust Company shareholder account number
- Your Social Insurance Number
- The number of securities to be transferred (may not exceed your total position)

Upon receipt of a properly documented request, TSX Trust Company will electronically transfer your securities to your broker's account.
