NEWS RELEASE

For Immediate Release
HERITAGE APPLAUDS USA FOR PASSING FARM BILL

Vancouver, B.C., December 21, 2018 – HERITAGE CANNABIS HOLDINGS CORPORATION (CSE: CANN) (“**Heritage**” or “**Company**”) congratulates the United States on the recent passing of the farm bill known as the Hemp Farming Act of 2018.

This new legislation is projected to have a direct and positive affect on Heritage’s subsidiary Purefarma Solutions (“**Purefarma**”) and its planned roll out of extraction services within the two Heritage Licensed Producer subsidiaries, PhyeinMed and CannaCure.

“Heritage is excited to see the adoption of this new legislation and considers it a major milestone for international acceptance of the benefits of hemp and hemp by-products.” comments Clint Sharples, Chairman and Interim CEO of Heritage “We are excited to see such major and progressive changes in the industry as we continue to execute our expansion plan.”

As a result of these new guidelines, Heritage expects to be active in the USA with respect to hemp supply and extraction services.

The Company also announces the termination of its property purchase agreement in Clearview township, and the return of the deposit funds. As a result of the recent acquisitions and corporate direction, this property was no longer deemed strategic to the growth strategy.
