

## **Ketamine Wellness Centers Announces Partnership With The Veterans Administration (VA) in Arizona**

*Nation's Largest Ketamine Therapy Provider to Cover Out-Of-Pocket Costs for  
Veterans Experiencing Treatment-resistant Depression, PTSD and Anxiety*

**GILBERT, AZ**, May 12, 2022 - Ketamine Wellness Centers (KWC), the largest ketamine therapy provider in the U.S. and a subsidiary of Delic Holdings Corp ("Delic" or the "Company") (**CSE: DELC**) (**OTCQB: DELCF**) (**FRA: 6X0**), today announced a new partnership with the Veterans Administration (VA) in Arizona. Veterans suffering from treatment-resistant depression, PTSD and anxiety will have access to ketamine therapy at the KWC Arizona clinics in Phoenix, Tucson and Mesa-Gilbert at no out-of-pocket cost with prior authorization from the VA. This new VA partnership is in addition to the one established with the KWC located in Burnsville, Minnesota.

More than 20 million veterans live in the United States and the state of Arizona is home to upwards of 500,000 veterans. [The Office of Disease Prevention and Health Promotion](#) found that veterans of all ages in Arizona are three times more likely to die by suicide than non-veterans, and veterans over the age of 65 are at four times greater risk of dying by suicide than non-veterans. Unfortunately, [one-third of veterans](#) know of a fellow former service member who is not currently receiving the necessary mental health care.

The nation's largest ketamine therapy provider is one of the few ketamine providers in the U.S. authorized to partner with the VA and remains committed to offering exceptional, therapeutic services that meet the needs of each veteran seeking quality mental health care. In addition to the VA partnership, KWC also partnered with the Veterans Administration (VA) Community Care Network last year to offer ketamine treatments to veterans at no out-of-pocket cost at their locations in Burnsville and Naperville, Illinois. These partnerships are in addition to the [Hero Discount](#) offered at clinics nationwide to cover partial out-of-pocket expenses of the treatment for military veterans and first responders.

“At KWC, we take great pride in supporting our veterans in Arizona and across the country. Unfortunately, veterans often face challenges securing the care they seek, such as access and affordability, and our partnership with the Veterans Administration will help to alleviate some of them,” Kevin Nicholson, CEO of KWC and COO of Delic, said. “The VA is a dedicated service organization that shares our commitment to supporting our veterans on the path to securing the mental health services they need to gain control over their lives again. We anticipate even more VA contracts as a result of the resources KWC has committed to expanding insurance coverage for our patients.”
