Entertainment

Attendees will be treated to an exciting mix of live music, visual art and dancers on both evenings.

- The greatest hits of psychedelia past, present and future will be played during The Psyche-Delic Experience, an after-party performance on Saturday, November 6, featuring DJ David Starfire and VJ Jonathan Singer, including a tribute to the Legends of psychedelia featuring the music of The Beatles, Jefferson Airplane, Jimi Hendrix, The Grateful Dead with “appearances” by Alan Watts, Timothy Leary, Terrence McKenna and Ram Das
- A special tribute performance of Pink Floyd’s “Set The Controls For The Heart Of The Sun” created as a 360 VR immersive film
- Futuristic psychedelia dance and techno themes featuring the music of Tipper, Sphongle, Desert Dwellers, Bedouin, and all original music by David Starfire with dancers and performance artists
- MINDCHATTER, a project by singer, songwriter, and producer Bryce Connolly, will provide live music on Sunday, November 6. His complex sound displays influences from electronic, indie, singer-songwriter and hip-hop
- Dance performances by Little Miss Nasty and visual art by Scott Hedstrom

The twenty hours of panels and keynotes will include an array of topics such as “*Psychedelics and the Search for Truth*”, “*Why Are Psychedelics Medicine?*”, “*The Shortcomings of Wellness*”, “*PTSD Reset and Recovery*,” “*Psychedelics & Addiction: an Intimate Discussion on Recovery in a Modern World*,” “*Psychedelics and Sobriety: The Next Frontier in Recovery*”, “*Microdosing*,” “*Psychedelic Activism*,” “*Digital Dosing: Technology & Innovation Powering Psychedelics*”, “*How Psychedelics Can be Effectively Used for Physical Optimization*,” and “*Drug Use for Grown-Ups*.” Musical and entertainment acts are scheduled both evenings following the panels and expo.

Forward-Looking Information and Statements

This press release contains certain "forward-looking information" within the meaning of applicable Canadian securities legislation and may also contain statements that may constitute "forward-looking statements" within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. Such forward-looking information and forward-looking statements are not representative of historical facts or information or current condition, but instead represent only the Company's beliefs regarding future events, plans or objectives, many of which, by their nature, are inherently uncertain and outside of Delic's control. Generally, such forward-looking information or forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved".

By identifying such information and statements in this manner, Delic is alerting the reader that such information and statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Delic to be materially different from those expressed or implied by such information and statements. In addition, in connection with the forward-looking information and forward-looking statements contained in this press release, Delic has made certain assumptions.

Should one or more of these risks, uncertainties or other factors materialize, or should assumptions underlying the forward-looking information or statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected.

Although Delic believes that the assumptions and factors used in preparing, and the expectations contained in, the forward-looking information and statements are reasonable, undue reliance should not be placed on such information and statements, and no assurance or guarantee can be given that such forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information and statements. The forward-looking information and forward-looking statements contained in this press release are made as of the date of this press release, and Delic does not undertake to update any forward-looking information and/or forward-looking statements that are contained or referenced herein, except in accordance with applicable securities laws. All subsequent written and oral forward- looking information and statements attributable to Delic or persons acting on its behalf is expressly qualified in its entirety by this notice.
