NOTICE IS HEREBY GIVEN that an annual and special meeting (the "**Meeting**") of shareholders of **Deveron UAS Corp.** (the "**Corporation**") will be held on **Wednesday, June 7, 2017**, at the hour of 2:30 p.m. (Eastern time), at the office of Irwin Lowy LLP, Suite 400, 365 Bay Street, Toronto, Ontario M5H 2V1 for the following purposes:

1. to receive and consider the audited consolidated financial statements of the Corporation for the year ended December 31, 2016, and the report of the auditors thereon;
2. to elect the directors of the Corporation;
3. to appoint the auditors of the Corporation and to authorize the directors to fix their remuneration;

The board of directors of the Corporation has by resolution fixed the close of business on April 26, 2017 as the record date, being the date for the determination of the registered holders of common shares of the Corporation entitled to receive notice of, and to vote at, the Meeting and any adjournment thereof.

NOTICE-AND-ACCESS

Notice is also hereby given that the Corporation has decided to use the notice-and-access method of delivery of meeting materials for the Meeting for beneficial owners of common shares of the Corporation (the "**Non-Registered Holders**") and for registered shareholders. The notice-and-access method of delivery of meeting materials allows the Corporation to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Ontario Securities Commission under National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the notice-and-access system, registered shareholders will receive a form of proxy and the Non-Registered Holders will receive a voting instruction form enabling them to vote at the Meeting. However, instead of a paper copy of the notice of Meeting, the management information circular, the annual

consolidated financial statements and related management's discussion and analysis and other meeting materials (collectively the "**Meeting Materials**"), shareholders receive a notification with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting. The Corporation will not be adopting stratification procedures in relation to the use of notice-and access provisions.

THIS MANAGEMENT INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF DEVERON UAS CORP. (the "**Corporation**") of proxies to be used at the annual and special meeting of shareholders of the Corporation to be held on Wednesday, June 7, 2017 at the office of Irwin Lowy LLP, Suite 400, 365 Bay Street, Toronto, Ontario M5H 2V1 at 2:30 p.m. (Eastern time), and at any adjournment or postponement thereof (the "**Meeting**") for the purposes set out in the enclosed notice of meeting (the "**Notice of Meeting**"). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Notice of Meeting, this management information circular (the "**Management Information Circular**"), the annual consolidated financial statements of the Corporation for the financial year ended December 31, 2016 and related management's discussion and analysis and other meeting materials, if applicable (collectively the "**Meeting Materials**") to the beneficial owners of the common shares of the Corporation (the "**Common Shares**") held of record by such parties. The Corporation may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Corporation. The Corporation may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Corporation in favour of the matters set forth in the Notice of Meeting.

NOTICE-AND-ACCESS

The Corporation has decided to use the notice-and-access ("**Notice-and-Access**") rules provided under NI 54-101 for the delivery of the Meeting Materials to holders of Common Shares who appear on the records maintained by the Corporation's registrar and transfer agent as registered holders of Common Shares ("**Registered Shareholders**") and beneficial owners of Common Shares (the "**Non-Registered Holders**") for the Meeting. The Notice-and-Access method of delivery of Meeting Materials allows the Corporation to deliver the Meeting Materials over the internet in accordance with the Notice-and-Access rules adopted by the Ontario Securities Commission under NI 54-101.

Registered Shareholders will receive a form of proxy and Non-Registered Holders will receive a voting instruction form, enabling them to vote at the Meeting.

Shareholders may always request paper copies of the Meeting Materials be sent to them by postal delivery at no cost to them. Requests may be made up to one year from the date the Meeting Materials are posted on TSX Trust' website. In order to receive a paper copy of the Meeting Materials or if you have questions concerning notice-and-access, please contact the Corporation's transfer agent and registrar, TSX Trust, by calling toll free at **1-866-600-5869** or e-mailing **TMXEInvestorServices@tmx.com**. Requests should be received by **May 29, 2017** in order to receive the Meeting Materials in advance of the Meeting date.

However, instead of a paper copy of the Meeting Materials, shareholders receive only a notice with information on the date, location and purpose of the Meeting, as well as information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting. Materials can be viewed online under the Corporation's profile at www.sedar.com or on TSX Trust, the Corporation's transfer agent and registrar, website at <http://noticeinsite.tsxtrust.com/DeveronUASASM2017>. The Meeting Materials will remain posted on TSX Trust's website at least until the date that is one year after the date the Meeting Materials were posted. The Corporation will not be adopting stratification procedures in relation to the use of Notice-and-Access rules.

APPOINTMENT AND REVOCATION OF PROXIES

A Registered Shareholder may vote in person at the Meeting or may appoint another person to represent such Registered Shareholder as proxy and to vote the Common Shares of such Registered Shareholder at the Meeting. In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Management Information Circular, or another proper form of proxy, in the manner specified in the Notice of Meeting.

The purpose of a form of proxy is to designate persons who will vote on the shareholder's behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Corporation. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO BY FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.** A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the Corporation's transfer agent and registrar, TSX Trust, at Suite 300, 200 University Avenue, Toronto, Ontario M5H 4H1 (the "**Transfer Agent**"), not later than 2:30 p.m. (Eastern time) on June 5, 2017 or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays and holidays, preceding the time of such adjourned Meeting at which the form of proxy is to be used. A form of proxy should be executed by the Registered Shareholder or his or her attorney duly authorized in writing or, if the Registered Shareholder is a corporation, by an officer or attorney thereof duly authorized.

A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it: (a) by depositing an instrument in writing, including another completed form of proxy,

executed by such Registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof at, or by transmitting by telephone or electronic means, a revocation signed, subject to the *Business Corporations Act* (Ontario), by electronic signature, to (i) the registered office of the Corporation, located at 82 Richmond Street East, Toronto, Ontario M5C 1P1, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration and for each item of special business, as stated elsewhere in this Management Information Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Management Information Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Corporation, as a substantial number of shareholders of the Corporation do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a Non-Registered Holder are registered either: (i) in the name of an intermediary (an "**Intermediary**") with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. ("**CDS**")) (a "**Clearing Agency**") of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of the Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Corporation has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories - those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities which they own ("**NOBOs**"). Subject to the provisions of NI 54-

101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Corporation or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Corporation's OBOs can expect to be contacted by their Intermediary. The Corporation does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

A. *Voting Instruction Form.* In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a "VIF"). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

B. *Form of Proxy.* Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by

such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder's or its nominees name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Corporation as maintained by the Transfer Agent, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value, of which as at the date hereof 21,587,294 are issued and outstanding, and an unlimited number of special shares, of which as at the date hereof none are issued and outstanding.

Only Registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every Registered Shareholder and proxy holder will have one vote and, on a poll, every Registered Shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the directors and executive officers of the Corporation, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares, other than as set forth below:

Corporate Cease Trade Orders or Bankruptcies

Other than as set forth below, no proposed director, within 10 years before the date of this Management Information Circular, has been a director, chief executive officer or chief financial officer of any company that:

- (a) was subject to: (i) a cease trade order; (ii) an order similar to a cease trade order; or (iii) an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days (collectively an "**Order**") and that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an Order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Other than as set forth below, no proposed director, within 10 years before the date of this Management Information Circular, has been a director or executive officer of any company that, while the proposed director was acting in that capacity, or within a year of the proposed director ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Mr. Borland was a Director of Acadian Mining Corporation ("**Acadian**") in December 2008 when ScoZinc Limited ("**ScoZinc**"), a wholly owned subsidiary of Acadian, was granted an order by the Supreme Court of Nova Scotia under the Companies Creditors' Arrangement Act protecting it from its creditors. The creditors of ScoZinc accepted the plan of arrangement (the "**Plan**") ScoZinc presented to them at a meeting held on May 21, 2009, and the Plan was ratified by the Nova Scotia Supreme Court on May 29, 2009. The Plan was implemented and all affected creditors were paid in accordance with the terms of the Plan. The implementation of the Plan has been discharged.

Mr. Irwin was a Director, President and Secretary of Brighter Minds Media Inc., which is subject to a cease trade order resulting from a failure to file financial statements dated May 8, 2009 and May 20, 2009.

Mr. Pirie was a former Director of Seafield Resources Ltd. ("**Seafield**"). On September 9, 2014, Seafield announced that pursuant to an order of the Ontario Superior Court of Justice that KPMG Inc. had been appointed as a receiver and manager of Seafield pursuant to an application brought by Seafield's secured creditor.

Personal Bankruptcies

None of the directors of the Corporation have, within the 10 years before the date of this Management Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such person.

Penalties and Sanctions

None of the directors of the Corporation have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision.

3. APPOINTMENT OF AUDITORS

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF ABRAHAM CHAN LLP, CHARTERED ACCOUNTANTS, AS AUDITORS OF THE CORPORATION TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF SHAREHOLDERS AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THEIR REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. Abraham Chan LLP, Chartered Accountants were first appointed as the auditors of the Corporation on June 30, 2014.

4. AMENDMENT AND CONFIRMATION OF STOCK OPTION PLAN

The Corporation has adopted an incentive stock option plan (the "**Stock Option Plan**") for senior officers, directors, employees and consultants of the Corporation. The Stock Option Plan was approved and confirmed at the last annual and special meeting of the Corporation on June 28, 2016.

The Stock Option Plan provides for the issue of stock options to acquire up to 10% of the issued and outstanding Common Shares as at the date of grant, subject to standard anti-dilution adjustment. This is a "rolling" stock option plan as the number of Common Shares reserved for issue pursuant to the grant of stock options will increase as the number of outstanding Common Shares increases. If a stock option expires, is exercised or otherwise terminates for any reason, the number of Common Shares in respect of that expired, exercised or terminated stock option shall again be available for the purpose of the Stock Option Plan.

At this Meeting, it is proposed that the Corporation maintain the Stock Option Plan as a "rolling" plan, but it is proposed to amend the Stock Option Plan to (i) increase the number of stock options issuable under the Stock Option Plan to up to 20% of the issued and outstanding number of Common Shares as at the date of the grant, subject to standard anti-dilution adjustment and (ii) to clarify that the issue to any one option holder within a 12-month period of a number of Common Shares exceeding 5% of the issued and outstanding number of Common Shares is allowed under the Stock Option Plan only if disinterested shareholder approval is received.

Management of the Corporation believes the amendments to the Stock Option Plan are important to encourage Common Share ownership in the Corporation by directors, officers, employees and consultants of the Corporation and its affiliates.

The aggregate number of Common Shares reserved for issue under the Stock Option Plan may result in: (i) the number of Common Shares reserved for issue under stock options granted to directors and officers exceeding 10% of the issued and outstanding number of Common Shares; (ii) the grant to directors and officers, within a 12-month period, of a number of stock options exceeding 10% of the issued and outstanding number of Common Shares; or (iii) the issue to any one option holder, within a 12-month period, of a number of Common Shares exceeding 5% of the issued and outstanding number of Common Shares. Accordingly, the Board resolved that the amendments to the Stock Option Plan be approved by a majority of the votes cast by shareholders present in person or represented by proxy at the Meeting excluding any directors or officers who may be entitled to participate in the Stock Option Plan (the "**Disinterested Shareholders**").

At the Meeting the shareholders will be asked to consider and, if deemed advisable, approve and pass the following resolution:

"BE IT RESOLVED THAT:

1. the stock option plan of the Corporation as described in the management information circular dated April 26, 2017 of the Corporation (the "**Stock Option Plan**"), be and is hereby approved and confirmed;
2. the Corporation be and is hereby authorized to grant stock options in the aggregate for up to 20% of the number of common shares of the Corporation outstanding from time to time pursuant and subject to the terms and conditions of the Stock Option Plan; and
3. any one director or officer of the Corporation be and is hereby authorized and directed to execute and deliver on behalf of the Corporation all such documents and instruments and to do all such other acts and things as in his or her opinion may be necessary or desirable in connection with the foregoing."

For a description of the terms of the Stock Option Plan see the heading "*Statement of Executive Compensation – Stock Option Plan and other Incentive Plans*" which is qualified in its entirety by the full text of the Stock Option Plan, as amended, which will be made available at the offices of Irwin Lowy LLP, Suite 400, 365 Bay Street, Toronto, Ontario M5H 2V1, until the business day immediately preceding the date of the Meeting.

In order to confirm and approve the amendments to the Stock Option Plan a majority of votes cast at the Meeting by Disinterested Shareholders, present in person or represented by proxy at the Meeting, must be voted in favour of the amendments to Stock Option Plan. Accordingly, the Common Shares held, directly or indirectly, by Messrs. MacMillan, Pirie, Borland, Irwin, Dent and Marrelli will be excluded from voting on the approval of the amendments to the Stock Option Plan.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE AMENDMENTS TO THE STOCK OPTION PLAN UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT THE SHARES ARE TO BE VOTED AGAINST SUCH APPROVAL.

In the event shareholder approval is not given, the amendments to the Stock Option Plan will not be implemented and the existing Stock Option Plan will continue to be in force.

Stock Option Plan

The Corporation has in place the Stock Option Plan.

The Corporation currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan. The purpose of the Stock Option Plan is to, among other things, encourage common share ownership in the Corporation by directors, officers, employees and consultants of the Corporation and its affiliates and other designated persons. Options may be granted under the Stock Option Plan only to directors, officers, employees and consultants of the Corporation and its subsidiaries and other designated persons as designated from time to time by the Board. permanently disabled or dying. The options are non-transferable. The Stock Option Plan contains provisions for adjustment in the number of Common Shares issuable thereunder in the event of a subdivision, consolidation, reclassification or change of the Common Shares, a merger or other relevant changes in the capitalization of the Corporation. Subject to shareholder approval in certain circumstances, the Board may from time to time amend or revise the terms of the Stock Option Plan or may terminate the Stock Option Plan at any time. The Stock Option Plan does not contain any provision for financial assistance by the Corporation in respect of options granted under the Stock Option Plan. Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Board, at the recommendation of the management of the Corporation, determines the compensation payable to the directors of the Corporation and reviews such compensation periodically throughout the year. The directors of the Corporation do not currently receive fees for their respective roles as directors of the Corporation but may, from time to time, be awarded stock options under the provisions of the Stock Option Plan. There are no other arrangements under which the directors of the Corporation who are not Named Executive Officers were compensated by the Corporation or its subsidiaries during the most recently completed financial year end for their services in their capacity as directors of the Corporation.

Compensation of Named Executive Officers

Principles of Executive Compensation

The Corporation believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Corporation as a whole. The primary components of the Corporation's executive compensation are base salary and option-based awards. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Corporation's executive compensation program:

1. align interest of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Corporation and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Corporation's long term value; and
5. connect, if possible, the Corporation's employees into principles 1 through 4 above.

The Board is responsible for the Corporation's compensation policies and practices. The Board has the responsibility to review and make recommendations concerning the compensation of the directors of the Corporation and the Named Executive Officers. The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the Stock Option Plan. The Board also reviews and approves the hiring of executive officers.

Base Salary

The Board approves the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officer is based on assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Corporation's peer group is also accumulated from a number of external sources including independent consultants. The Corporation's policy for determining salary for executive officers of the Corporation is consistent with the administration of salaries for all other employees.

Annual Incentives

The Corporation is not currently awarding any annual incentives by way of cash bonuses. However, the Corporation, in its discretion, may award such incentives in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Corporation in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the

Corporation that arise on a day to day basis. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Corporation currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan.

Pension Disclosure

There are no pension plan benefits in place for the Named Executive Officers or the directors of the Corporation.

Termination and Change of Control Benefits

The Corporation does not have in place any pension or retirement plan. The Corporation has not provided compensation, monetary or otherwise, during the preceding fiscal year, to any person who now acts or has previously acted as a Named Executive Officer or director of the Corporation in connection with or related to the retirement, termination or resignation of such person. The Corporation has not provided any compensation to such persons as a result of a change of control of the Corporation, its subsidiaries or affiliates. The Corporation is not party to any compensation plan or arrangement with Named Executive Officers or directors of the Corporation resulting from the resignation, retirement or the termination of employment of such person.

Audit Committee Oversight

Since the commencement of the Corporation's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110 regarding

***De Minimis* Non-audit Services or on a Regulatory Order Generally**

Since the commencement of the Corporation's most recently completed financial year, the Corporation has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Corporation's auditor from the requirement to be pre-approved

by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Corporation, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit); or

2. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Charter.

Audit Fees

The following table provides details in respect of audit, audit related, tax and other fees billed by the external auditor of the Corporation for professional services rendered to the Corporation during the fiscal years ended December 31, 2016 and December 31, 2015:

	Audit Fees (\$)	Audit-Related Fees (\$)	Tax Fees (\$)	All Other Fees (\$)

Year ended December 31, 2015	5,500	nil	500	110

Audit Fees – aggregate fees billed for professional services rendered by the auditor for the audit of the Corporation's annual consolidated financial statements as well as services provided in connection with statutory and regulatory filings.

Audit-Related Fees – aggregate fees billed for professional services rendered by the auditor and were comprised primarily of audit procedures performed related to the review of quarterly consolidated financial statements and related documents.

Tax Fees – aggregate fees billed for tax compliance, tax advice and tax planning professional services. These services included reviewing tax returns and assisting in responses to government tax authorities.

All Other Fees – aggregate fees billed for professional services which included accounting advice and association fees.

REPORT ON GOVERNANCE

The Corporation believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (the "**Governance Guidelines**") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. The following disclosure is required by the Governance Guidelines and describes the Corporation's approach to

governance and outlines the various procedures, policies and practices that the Corporation and the Board have implemented to address the foregoing requirements.

Board of Directors

The Board is currently composed of five directors. Form 58-101F2 suggests that the Board of every listed company should be constituted with a majority of individuals who qualify as "independent" directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect "material relationship" with the Corporation. "Material relationship" is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. In addition, under NI 52-110, an individual who is, or has been within the last three years an employee or executive officer of an issuer, is deemed to have a "material relationship" with the issuer. Accordingly, of the proposed nominees, James Pirie, who was the President, Chief Executive Officer and Secretary until July 1, 2016 and David MacMillan, the current President, Chief Executive Officer and Secretary since July 1, 2016 are each considered not to be "independent". The remaining three proposed directors are considered by the Board to be "independent", within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors.

Directorships

The following table sets forth the directors of the Corporation who currently hold directorships with other reporting issuers:

Name of Director	Reporting Issuer

Irwin	Arbitrage Exploration Inc., Roscan Minerals Corporation, Minnova Corp., Geodex Minerals Ltd., Greencastle Resources Ltd., Hornby Bay Mineral Exploration Ltd., Mag Copper Limited, Data Deposit Box Inc., Open Source Health Inc., SecureCom Mobile Inc., Stompy Bot Corporation and White Pine Resources Inc.
James Pirie	Greencastle Resources Ltd.
James S. Borland	Nikos Explorations Ltd.
Roger Dent	Quinsam Capital Corporation, Vitalhub Corp., California Nanotechnologies Corp., AcuityAds Holdings Inc. and Omni-Lite Industries Canada Inc.

Orientation and Continuing Education

The Board does not have a formal orientation or education program for its members. The Board's continuing education is typically derived from correspondence with the Corporation's legal counsel to remain up to date with developments in relevant corporate and securities law matters. Additionally, historically board members have been nominated who are familiar with the Corporation and the nature of its business.

Ethical Business Conduct

The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct, but does promote ethical business conduct through the

nomination of Board members it considers ethical, through avoiding or minimizing conflicts of interest, and by having at least two of its Board members independent of corporate matters.

Nomination of Directors

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board are reviewed by the entire Board.

Other Board Committees

The Board has established an Audit Committee, a Corporate Governance Committee and a Compensation Committee.

Assessments

Currently the Board has not implemented a formal process for assessing directors.

The management of the Corporation knows of no other matters to come before the Meeting other than as set forth in the Notice of Meeting. **However, if other matters which are not known to management should properly come before the Meeting, the accompanying term of proxy will be voted on such matters in accordance with the best judgment of the person or persons voting the proxy.**
