Relay Medical Announces Closing of Second Tranche of Private Placement

August 9, 2019 – Relay Medical Corp. (“**Relay**” or the “**Company**”) (CSE: RELA, OTC: RYMDF, Frankfurt: EIY2), a developer of MedTech innovation, is pleased to announce that the Company has completed the second tranche of the private placement financing (the “**Offering**”) for gross proceeds of \$542,000 through the issuance of 2,710,000 Units (each, a “**Unit**”) at a price of \$0.20 per unit. The aggregate gross proceeds raised pursuant to the first and second tranches of the Offering was \$2,074,500 through the issuance of 10,372,500 Units.

Each Unit is comprised of: (i) one common share in the capital of the Company (each a “**Common Share**”); (ii) one Common Share purchase warrant (each, a “**Warrant**”). Each whole Warrant entitles the holder to purchase one additional Common Share at an exercise price of \$0.30 on or before February 9, 2021.

Gross proceeds raised from the Offering will be used for working capital and general corporate purposes. The securities issued upon closing of the Offering are subject to a hold period until December 10, 2019, pursuant to applicable securities laws.

Certain eligible persons (the “**Finders**”) were paid a cash commission equal to 8% of the proceeds raised from subscribers introduced to the Company by such Finder and also issued an aggregate of 68,800 finder warrants (the “**Finder Warrants**”) to Finders, each Finder Warrant entitling the holder to acquire one Unit at a price of \$0.20 for a period of eighteen (18) months from the date of issuance.

Certain insiders of the Company participated in the Second Tranche of the Offering, purchasing an aggregate of 1,250,000 Units. The participation of such insiders constitutes a “related party transaction” as defined under Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions*. The Company is relying on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101, as the fair market value of the participation in the Offering by insiders does not exceed 25% of the market capitalization of the Company, as determined in accordance with MI 61-101. The Company did not file a material change report in respect of the related party transaction at least 21 days before the closing of the Offering, which the Company deems reasonable in the circumstances so as to be able to avail itself of the proceeds of the Offering in an expeditious manner.
