

Draganfly to Unveil the Outrider Southern Border Multi-Mission Drone in a Live Operation at Cochise County Invite-Only Border Drone Security Summit

Cochise County, AZ – October 23, 2025 – Draganfly Inc. (NASDAQ: DPRO; CSE: DPRO; FSW: 3U8A) (“Draganfly” or the “Company”), an award-winning, industry-leading drone solutions and systems developer, today announced that it will unveil its new Outrider Drone during an exclusive, invitation-only event, the Cochise County Border Drone Summit, taking place November 16–17, 2025, in Sierra Vista, Arizona (the “Summit”).

Hosted in partnership with the Cochise County Sheriff’s Office, the Summit will bring together select leaders from law enforcement, defence, and security sectors to demonstrate and explore how advanced, NDAA-compliant UAV systems are transforming border security and public safety operations.

Draganfly’s Outrider Drone will make its debut with a live operation near the Southern U.S. border. Engineered for long-endurance surveillance and logistics missions, Outrider integrates advanced imaging and secure communications to deliver real-time capabilities across complex terrain — ideal for border security, emergency response, and defence operations.

“Outrider represents a leap forward in how agencies can protect and respond along our borders and in other complex environments,” said Cameron Chell, CEO of Draganfly. “This platform combines North American-built reliability with endurance and intelligence that empower operators to act faster, safer, and with greater precision. The Cochise County border is the perfect venue to demonstrate that capability in real-world conditions.”
