INFORMATION CIRCULAR

THIS INFORMATION CIRCULAR CONTAINS INFORMATION AS AT AUGUST 15, 2018

This Information Circular is furnished in connection with the solicitation of Proxies by the management of the Company for use at the Annual and General Meeting (the "Meeting") of the shareholders of **EXPLOREX RESOURCES INC.** (the "Company") to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting, and at any adjournment thereof.

"Beneficial Shareholders" means shareholders who do not hold Shares in their own name and "intermediaries" refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

It is anticipated that the solicitation will be made primarily by mail by delivery of the Circular. Proxies may also be solicited personally or by telephone by directors, officers or employees of the Corporation at nominal cost. The cost of the solicitation will be borne by the Corporation. The Corporation has arranged for Intermediaries (as defined below) to forward the meeting materials to Non-Registered Shareholders (as defined below) and the Corporation may reimburse the Intermediaries for their reasonable fees and disbursements in that regard.

Appointment and Revocation of Proxies

The person(s) designated by Management in the enclosed form of proxy are directors and/or officers of the Corporation (the "**Management Proxyholders**"). **Each Shareholder has the right to appoint as proxyholder a person (who need not be a Shareholder) other than Management Proxyholders to attend and act on the Shareholder's behalf at the Meeting or at any adjournment or postponement thereof. Such right may be exercised by striking out the names of the person(s) printed in the accompanying form of proxy and inserting the name of the person in the blank space provided in the enclosed form of proxy or by completing another suitable form of proxy and, in either case, delivering the completed and executed form of proxy as provided below.**

Voting by Proxyholder

The persons named in the accompanying form of proxy will vote or withhold from voting the Shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. If the shareholder has specified a choice with respect to any matter to be acted upon, the Shares will be voted accordingly. The proxy confers discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the proxy, the persons named in the accompanying form of proxy will vote the Shares represented by the proxy at their own discretion for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders electing to submit a proxy may do so at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof, by choosing one of the following methods:

- 1) Mail or Deliver to TSX TRUST COMPANY, 200 University Avenue, Suite 300, Toronto, ON, M5H 4H1;
- 2) by fax to 416-595-9593; or
- 3) you may vote online at www.voteproxyonline.com with the 12 control code provided on your proxy form.

Beneficial Shareholders

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Shares, or as set out in the following disclosure, can be recognized and acted upon at the Meeting.

If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in the Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "OBOs" for "*Objecting Beneficial Owners*") and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for "*Non-Objecting Beneficial Owners*").

The Company is availing itself under National Instrument 54-101 for the Company to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a Voting Instruction Form ("VIF") from our transfer agent, TSX TRUST COMPANY, 200 UNIVERSITY AVENUE, SUITE 300, TORONTO, ON M5H 4H1. The VIF is to be completed and returned to the transfer agent in the envelope provided or by facsimile, or a NOBO has the option to submit their proxy vote either by mail or via the internet in the manner described on the VIF. The transfer agent shall tabulate the results of the voting on the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Shares represented by those VIFs.

These security-holder materials are sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions. Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Shares are voted at the Meeting.

The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("Broadridge") in the United States and in Canada. Broadridge mails a VIF in lieu of the form of proxy provided by the Company. The VIF will name the same persons as the proxy to represent the Beneficial Shareholder at the Meeting, and that person may be the Beneficial Shareholder themselves. A Beneficial Shareholder has the right to appoint a person (who need not be a Beneficial Shareholder of the Company) other than the persons designated in the VIF, to represent the Beneficial Shareholder at the Meeting. To exercise this right, the Beneficial Shareholder should insert the name of the desired representative in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. A Beneficial Shareholder receiving a VIF from Broadridge cannot use it to vote Shares directly at the Meeting - the VIF must be returned to Broadridge, as the case may be, well in advance of the Meeting in order to have the Shares voted. Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the Registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, Beneficial Shareholders may request in writing that their broker send to them a legal proxy which would enable them to attend at the Meeting and vote their Shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to TSX Trust Company, 200 University Avenue, Suite 300, Toronto, ON M5H 4H1 or at the address of the registered office of the Company at Suite Pacific Centre, 400 – 725 Granville Street Vancouver, British Columbia V7Y 1G5, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law. In addition, a proxy may be revoked by the registered shareholder personally by attending the Meeting and voting the registered shareholder's Shares. A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors of the Company (the "Board") has fixed **August 14, 2018** as the record date (the "Record Date") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Shares voted at the Meeting.

As of August 14, 2018, the Company had outstanding 19,661,197 fully paid and non-assessable Shares without par value, each carrying the right to one vote.

As of the date hereof, the directors and executive officers of the Corporation, as a group, owned beneficially, directly or indirectly, or exercised control or direction over, approximately 2.2 million Shares, representing approximately 11% of the outstanding Shares.

To the knowledge of the Directors and executive officers of the Company, the beneficial owners or persons exercising control or direction over Company shares carrying more than 10% of the outstanding voting rights are:

	Number of Shares	Approximate % of Issued and Outstanding
GFL International Co. Ltd.	3,000,000	15.26%

A special resolution is a resolution passed by a majority of not less than **two-thirds (2/3rds)** of the votes cast by the shareholders who, being entitled to do so, voted in person or by proxy at the Meeting. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

As at August 14, 2018, there are 1,560,000 options outstanding under the Stock Option Plan, representing 7.9% of the outstanding Common Shares, and 406,119 options remain available for grant, representing 2.1% of the outstanding Common Shares. The Stock Option Plan was last approved by Shareholders at the annual and general meeting of the Corporation held on November 17, 2016.

Pursuant to the rules of the CSE, a rolling stock option plan, such as the Stock Option Plan, must be re-approved by a majority of the Shareholders every year. Accordingly, the Stock Option Plan, which does not have a fixed maximum number of securities issuable there under, is being submitted to the Shareholders for approval at the Meeting.

The Stock Option Plan shall be administered by the Board and subject to approval of the granting of options by the Board, the Corporation shall grant options under the Stock Option Plan. The exercise price for the Common Shares of the Corporation under each option shall be determined by the Board on the basis of the Market Price (as set out in the Stock Option Plan). The exercise of options issued may not be less than the Market Price of the Common Shares at the time the option is granted, (subject to the minimum exercise price allowed by the CSE). The expiry date for each option shall be set by the Board at the time of issue of the option and shall not be more than ten years after the grant date. Options shall not be assignable or transferable by the optionee.

The number of Common Shares reserved for issuance under the Stock Option Plan:

- (a) in aggregate shall not exceed 10% of the total number of issued and outstanding Common Shares on a non-diluted basis; and
- (b) to any one optionee within a 12-month period shall not exceed 5% of the total number of issued and outstanding shares on a non-diluted basis (unless otherwise approved by the disinterested shareholders of the Corporation).

The number of Common Shares which may be issuable under the Stock Option Plan within a one-year period:

- (a) to all insiders shall not exceed 10% of the total number of issued and outstanding shares on the date of the grant on a non-diluted basis;
- (b) to any one optionee, shall not exceed 5% of the total number of issued and outstanding Shares on the date of the grant on a non-diluted basis (unless otherwise approved by the disinterested shareholders of the Corporation);
- (c) to any one consultant shall not exceed 2% in the aggregate of the total number of issued and outstanding Common Shares on the grant date on a non-diluted basis; and
- (d) to all Eligible Persons who undertake investor relations activities shall not exceed 2% in the aggregate of the total number of issued and outstanding Common Shares on the date of the grant on a non-diluted basis, which options are to be vested in stages over at least a one-year period and no more than one-quarter of such options may be vested in any three month period.

Options shall be granted as fully vested on the date of the grant and may be exercised to purchase any number of Common Shares up to the number of Unissued Option Shares (as defined in the Stock Option Plan) at any time after the Grant Date, provided that the Stock Option Plan has been previously approved by the shareholders of the Corporation, where such prior approval is required by CSE Policies, up to 4:00 p.m. local time on the Expiry Date and shall not be exercisable thereafter; however, if the option is being granted to an Eligible Person who is providing investor relations activities to the Corporation, then the option must vest in stages over at least a one-year period and no more than one-quarter of such options may be vested in any three month period.

An optionee who ceases to be an Eligible Person due to his or her death or disability or, in the case of an optionee that is a company, the death or disability of the person who provides management or consulting services to the Corporation or to any entity controlled by the Corporation, the option then held by the optionee shall be exercisable to acquire any Vested Unissued Option Shares (as defined in the Stock Option Plan) at any time up to but not after the earlier of (i) 365 days after the date of death or disability and (ii) the option expiry date.

If the optionee, or in the case of a management company employee or a consultant company, the optionee's employer, ceases to be an Eligible Person as a result of termination for cause, as that term is interpreted by the courts of the jurisdiction in which the optionee, or, in the case of a management company employee or a consultant company, of the optionee's employer, is employed or engaged, any outstanding option held by such optionee on the date of such termination shall be cancelled as of that date.

If the optionee or, in the case of a management company employee or a consultant company, the optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Corporation's retirement policy then in force, or due to his or her termination by the Corporation other than for cause, or due to his or her voluntary resignation, the option then held by the optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the option expiry date and the date which is 90 days after the optionee or, in the case of a management company employee or a consultant company, the optionee's employer, ceases to be an Eligible Person. In the event the option expiry date falls on a date during a trading black out period that has been self imposed by the Corporation, the option expiry date will be extended to the 10th business day following the date that the self imposed trading black out period is lifted by the Corporation.

The Stock Option Plan contains provisions for the treatment and appropriate adjustment of options in relation to capital changes and with regard to a reorganization, stock split, stock dividend, combination of shares, merger, amalgamation, consolidation or any other change in the corporate structure or shares of the Corporation. The options granted under the Stock Option Plan may contain such provisions as the Board may determine with respect to adjustments to be made in the number and kind of shares covered by such options and in the option price in the event of any such change. If the Corporation determines that, in the event of a transaction, offer or proposal which would constitute an Offer (as defined in the Stock Option Plan) the Board may, upon notifying each optionee of the full particulars of the Offer, declare all Option Shares issuable upon the exercise of options granted under the Stock Option Plan, are vested (subject to the proviso below), and declare that the option expiry date for the exercise of all unexercised options granted under the Stock Option Plan is accelerated so that all options will either be exercised or will expire prior to the date upon which Common Shares must be tendered pursuant to the Offer, provided that where an option was granted to a consultant providing investor relations activities, the Board declaration that Option Shares issuable upon the exercise of such options granted under the Stock Option Plan be vested with respect to such Option Shares, is subject to prior approval of the CSE.

Subject to the provisions of the Stock Option Plan, the Board has full and final authority in its discretion to interpret the Stock Option Plan, to prescribe, amend and rescind rules and regulations relating to the Stock Option Plan and to make all other determinations deemed necessary or advisable in respect of the Stock Option Plan. The Board may from time to time, subject to applicable law and to the prior approval, if required, of the CSE or any other regulatory body having authority over the Corporation or the Stock Option Plan, suspend, terminate or discontinue the Stock Option Plan at any time, or amend or revise the terms of the Stock Option Plan or of any option granted under the Stock Option Plan and the option agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any option previously granted to an optionee under the Stock Option Plan without the consent of that optionee. Any amendments to the Stock Option Plan or options granted thereunder will be subject to the approval of the shareholders.

3. any one director or officer of the Corporation is authorized and directed on behalf of the Corporation to execute all documents and to do all such other acts and things as such director or officer may determine to be necessary or advisable to give effect to the foregoing provisions of this resolution.”

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The primary objectives of the Corporation's executive compensation program are to attract, motivate and retain highly trained, experienced and committed executive officers who have the necessary skills, education, experience and personal qualities required to manage the Corporation's business for the benefit of its shareholders, and to align their success with that of the shareholders.

Stock Based Compensation

Under the terms of the Option Plan, the Board or a committee of the Board may grant incentive stock options to the Corporation's directors, officers, employees and consultants to purchase Shares. The purpose of options is to provide a direct long-term incentive to improve shareholder value over time. The level of grant is determined by reference to standards of practice within the junior mining industry and the individual's level of responsibility within the Corporation.

The Corporation does not have a program or regular annual grant of options. When determining options to be allocated, a number of factors are considered, including the number of outstanding options held by an individual, the value of such options, and the total number of options available for granting.

Salaries or Consulting Fees

Future base executive compensation, in the form of salaries or consulting fees, will provide a fixed level of compensation for discharging the specific duties and responsibilities of the executive. The Board recognizes that the size of the Corporation may prohibit executive compensation from matching those of larger companies in the mining industry. The Board also believes that long-term equity interests, in the form of options (described above), will compensate for lower base fees. This compensation strategy is similar to the strategies of many other companies within the Corporation's peer group.

When determining executive compensation, the Board will review the compensation policies of companies engaged in businesses similar to the Corporation's. Although the Corporation has not obtained any industry reports regarding compensation, at the appropriate time the Board will review publicly available information with respect to compensation paid to the executives of companies that are also engaged in the acquisition, exploration and development of oil and gas properties.

In setting the base compensation levels for individuals, consideration will be given to objective factors such as the level of responsibility, experience and expertise, as well as subjective factors such as leadership and contribution to corporate performance. Fees will be reviewed annually and adjustments may be made based upon corporate and personal performance, market conditions and the level of responsibility attributed to specific executives.
