Number of Outstanding Listed Securities: **14,250,000 common shares were issued and outstanding as of February 28, 2022.**

Date: **March 4, 2022**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer is a junior mining exploration company. Its current focus is to continue to identify and potentially acquire additional property interests, assess their potential and engage in exploration activities. The company is pleased to report that it has recently optioned the Quesnel Terrane Property and is evaluating how to develop the property in the upcoming work season.

See Item 2 below for a summary of the Issuer's business and operations during the month of February, 2022.

Provide a general overview and discussion of the activities of management.

During the month of February, 2022, management's principal activities consisted of: Implementing the Plan of Arrangement between EGFV and its remaining subsidiaries.

The Issuer was in discussions with the Owner of the Pichogen property and had negotiated terms to amend the payout of shares potentially to be issued for the property under the option agreement. The company successfully came to terms with the owner to extend the terms to February 1, 2022 for payment in cash in lieu of shares.

Attending to general administration matters.

2. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

N/A

3. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

The Issuer negotiated to formally extend a term of a potential payment under the option agreement to February 1, 2022 for a payment of cash in lieu of shares and has formally abandoned the property with the payment of \$20,000 cash.

4. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

No new business relationships were entered into between the Issuer, the Issuer's affiliates or third parties during the month of February, 2022.

5. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

No contracts, agreements or financings expired or were terminated during the month of February, 2022. The outstanding term on the Option on the Pichogen Property was extended until February 1, 2022 but from an accounting perspective was deemed impaired as of December 11, 2021 and is deemed terminated or concluded as of the date of this report.

6. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was

determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

The Issuer finalized the status of the remaining term on the Pichogen property to be extended until February 1, 2022 and the company with the payment of \$20,000 to the property owner has concluded all obligations on the property and has returned the property to the vendor.

The Issuer negotiated and signed a conditional agreement during the month of December 2021 to acquire a new mineral property located within the Quesnel Terrane in the north central interior of the Province of British Columbia and has continued discussions on planning the work on the property in the upcoming season. The property consists of four (4) mining claims covering 5,071 hectares.

7. Describe the acquisition of new customers or loss of customers.

N/A.

15. Provide details of any changes in directors, officers or committee members.

N/A

16. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

There are significant uncertainties related to mineral exploration and development. The prices of gold and other minerals or metals are subject to constant market fluctuation to the point where it has become difficult for companies to raise new capital. The Issuer's future performance is largely tied to the development of its current mineral properties and the overall financial markets. Current financial markets reflect ongoing concerns about the stability of the global economy. As a result, the Issuer may have difficulties raising equity financing for the purposes of mineral exploration and development.

Certificate of Compliance

The undersigned hereby certifies that:
