This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer’s obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer’s ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term “Issuer” includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer’s business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer is a junior mining exploration company. Its current focus is to continue to identify and potentially acquire additional property interests, assess their potential and engage in exploration activities.

See Item 2 below for a summary of the Issuer's business and operations during the month of December 2023.

Provide a general overview and discussion of the activities of management.

The Issuer was in discussions with the QP and the owner of the Quesnel property as it had made payments on work that was done on the property as part of its due diligence as previously discussed. The company has not made any property payments and is in discussions with the owner to determine if it is interested in continuing with an amendment to the option agreement.

The Issuer has been working with the FASTER group for a potential transaction as per finalizing a Definitive Agreement to the Non-Binding Letter of Intent.

During the month of December 2023 management's principal activities consisted of attending to general administration matters.
