

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: Exploits Discovery Corp. (the "Issuer").

Trading Symbol: NFLD

Number of Outstanding Listed Securities: 156,629,844

Date: March 7, 2024 (for the month ended February 29, 2024)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

On February 21, 2024, the Company announced further results from its till sampling program recently conducted on its 100% owned Gazebow South property located along the Appleton Fault Zone ("AFZ"). The elevated number of gold grains from this expanded program highlights the potential for the northern Appleton Fault Zone and related splays to be a source of gold mineralization on the Gazebow South property.

Highlights Include:

- This expanded till program further indicates that the three previously announced areas (Sept. 28, 2023) along the Appleton Fault Zone continue to show elevated gold grain counts; reaching up to 14 times greater than the area's background levels.
 - Infill sampling for this expanded program was conducted at 200 x 200 metres, with select local grids conducted at 100 x 100 metres.
 - Recent additional anomalous samples include:
 - 141 Total Gold Grains of which 68 (48%) are classified as 'Modified' (28) or 'Pristine' (40)
 - 122 Total Gold Grains of which 20 (16%) are classified as 'Modified' (10) or 'Pristine' (10)
 - 86 Total Gold Grains of which 30 (35%) are classified as 'Modified' (11) or 'Pristine' (19)
 - 83 Total Gold Grains of which 14 (17%) are classified as 'Modified' (9) or 'Pristine' (5)
2. Provide a general overview and discussion of the activities of management. Management is actively involved with the on-going operations of the Issuer on a daily basis.
 3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.
