Name of CNSX Issuer: **CROP INFRASTRUCTURE CORP.(formerly Fortify Resources Inc.)** (the "Issuer").

Trading Symbol: **CROP**

Number of Outstanding Listed Securities: **86,068,512**

Date: **July 5, 2018**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's on-going business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**Management has been focused on securing additional acquisitions in the USA and worldwide, and expanding the value chain the company is able to offer in the cannabis sector. In order to fund international expansion opportunities, it accelerated the expiry date of the share purchase warrants (the "Warrants") that were issued in connection with the March 2018**

“fundamental change” transaction between Fortify Resources Corp. and DV Infrastructure Corp. (“DVI”). The Warrants were initially issued by DVI in connection with a private placement of units, with those shares and warrants becoming free trading on July 6, and with each whole share purchase warrant being exercisable into one additional common share at a price of \$0.20 per share.

2. Provide a general overview and discussion of the activities of management.

Management was very busy building and growing the Company, not only in the United States but in Europe as well, with a goal to make this one of the largest global cannabis firms.

CROP entered into a joint venture agreement that will see the Company own 30% of Xhemplar and develop a 522,000 square foot project in the North-Eastern region of Italy. The joint venture and its principals have also been permitted to develop one of a few extraction and processing facilities currently present in the Country of Italy.

CROP has committed to provide an initial investment of €500,000. The initial investment will enable the planting of 435,000 square feet, the retrofit of the extraction facility and the commencement of construction on an 87,000 square foot greenhouse facility. The initial yield of the tenant joint venture greenhouse is expected to be a combined 44,000 pounds of low thc, high cbd cannabis per year.

The Company’s tenant grower “HEMPIRE COMPANY LLC” received final approval for an additional twenty thousand (20,000) square feet of recreationally licensed canopy space from CalCannabis Cultivation Licensing, a division of the California Department of Food and Agriculture (CDFA) for the Humboldt California Campus as announced on May 9, 2018.

In order to provide its American investors with a better ability to invest in CROP, it secured The Depository Trust Company (DTC) eligibility for its shares traded in the United States under the symbol CRXPF.
