## MONTHLY PROGRESS REPORT

Name of CNSX Issuer: **CROP INFRASTRUCTURE CORP.(formerly Fortify Resources Inc.)** (the "Issuer").

Trading Symbol: **CROP**

Number of Outstanding Listed Securities: **67,592,388**

Date: **April 5, 2018**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's on-going business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**The Company was focused on completing the amalgamation between DVI and FTY, and to commence trading as CROP. On the operational side it was focused on building out its Washington state real estate greenhouse infrastructure.**

The Company will shortly begin Phase 2 construction of the next group of six (6) greenhouses planned for its Washington state property, bringing another 22,000 square feet of canopy online. Completion of the greenhouses as planned will bring the project's annual tenant production capacity to approximately 24,000 lbs of high quality product.
