Trading Symbol: **"FFT"**

Number of Outstanding Listed Securities: **99,973,612**

Date: **November 6, 2017**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

***Future Farm Technologies Inc. is a Canadian company with projects throughout North America, including California, Florida and Maryland. The Company's business model includes developing and acquiring technologies***

**that will position it as a leader in the evolution of Controlled Environment Agriculture (CEA) for the global production of various types of plants, with a focus on cannabis. Future Farm provides scalable, indoor CEA systems that utilize minimal land, water and energy regardless of climate, location or time of year and are customized to grow an abundance of crops close to consumers, therefore minimizing food miles and its impact to the environment. The Company holds an exclusive, worldwide license to use a patented vertical farming technology that, when compared to traditional plant production methods, generate yields up to 10 times greater per square foot of land. The contained system provides many other benefits including 90% less water, fertilizer and land used, less travel costs, seed to sale security, scalability, consistency due to year-round production, cost control, product safety and purity by eliminating environmental variability. The Company also utilizes a leading cannabis oil extraction technology, which enables the Company to process 20lbs/hour of cannabis plant to yield approximately 908 grams/hour of oil.**

**The Company is also in the business of designing and distributing LED lighting solutions utilizing the COB and MCOB technology. The Company is focused on delivering cost efficient lighting to North America via advanced e-commerce sites the Company owns and operates. LEDCanada.com which caters to B2B customers is a supplier of the newest and highest demand LED solutions. The Company also owns and operates COBGrowlights.com, which caters to both large and small agriculture green houses and controlled cultivation centers.**

**The Company recently acquired the exclusive right to use a patented, augmented reality (AR) technology in the cannabis industry. The Company will work with its partner to merge AR and ad-tech with the cannabis industry through the CannaCube Live™ platform.**

2. Provide a general overview and discussion of the activities of management.

**On October 4, 2017 the Company announced that its subsidiary FFM Consulting Services, LLC had completed a wholesale oil sale of 3525 grams of crude cannabis oil from the California oil extraction facility located in Huntington Park\*. The sale was made to a large distributor with whom the Company is now negotiating a supply contract for 100-250 kilos of oil per week.**

**\*Note: As previously announced, FFM Consulting Services, LLC, the majority owned subsidiary of Future Farm, is under contract for management services with local non-profit Patriot Extracts CA, Inc.**

**On October 19, 2017, the Company announced it had entered into a purchase and sale agreement with Derek Ross of Cannatech LLC for the acquisition of a 120-acre licensed industrial hemp farm in Amity, ME (the "Farm"). As part**

**of this acquisition, Future Farm and Cannatech have also entered into a new joint venture agreement to continue operating the Farm. Mr. Ross will stay on as the operator and grower of the hemp strains and retain a 20% interest in the Farm. As consideration for the acquisition of the Farm, Future Farm agrees to pay Mr. Ross \$80,000, payable in equal installments over the course of six months. Mr. Ross is also entitled to receive 250,000 shares of the Company's common stock upon closing of the real estate transaction. There is no finder's fee associated with this transaction.**

**On October 26, 2017, the Company announced a new joint venture between Future Farm and TCG Investments, LLC, owners of the Clinica Verde brand of medical cannabis dispensaries ("Clinica Verde"). Future Farm will purchase five pre-qualifications for medical dispensary licenses from Clinica Verde ("Licenses"). Subsequently, the Licenses will be contributed into a joint venture company that will operate five medical cannabis dispensaries in Puerto Rico under the Clinica Verde brand. Clinica Verde has already established itself as the leading medical cannabis dispensary operator in Puerto Rico, with five additional operating dispensaries.**

**On October 30, 2017, the Company filed its Q2 interim audited financial statements for the six month period ended August 31, 2017, its related management's discussion and analysis, and CEO and CFO certifications.**
