

## FORM 7

### MONTHLY PROGRESS REPORT

Name of Listed Issuer: **Future Farm Technologies Inc.** (the “Issuer” or “Future Farm”).

Trading Symbol: **“FFT”**

Number of Outstanding Listed Securities: **170,812,603**

Date: **December 5, 2019**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer’s obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer’s ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term “Issuer” includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer’s business and operations over the previous month. Where the Issuer was inactive disclose this fact.

***Future Farm is a Canadian company with holdings throughout North America including California, Massachusetts, Florida, Maine, Puerto Rico and Newfoundland. The Company’s mission is to advance sustainable***

**agriculture through production of wholesale and retail cannabis products, including hemp. As a leader in its field, Future Farm is committed to using only the highest quality processes and products. Towards this goal, the Company acquires or partners with licensed cannabis operators, and acquires or develops leading technologies in cannabis production, breeding, genetics, and Controlled Environment Agriculture (CEA). Future Farm's scalable, indoor CEA systems utilize minimal land, water and energy resources. The Company holds an exclusive, worldwide license to use a patented vertical farming technology that, when compared to traditional plant production methods, generates yields up to 10 times greater per square foot of land.**

**The Company is also in the business of designing and distributing LED lighting solutions utilizing the COB and MCOB technology. The Company is focused on delivering cost efficient lighting to North America via advanced e-commerce sites the Company owns and operates. LEDCanada.com which caters to B2B customers is a supplier of the newest and highest demand LED solutions. The Company also owns and operates COBGrowlights.com, which caters to both large and small agriculture green houses and controlled cultivation centers.**

2. Provide a general overview and discussion of the activities of management.

**On November 21, 2019, the Company filed notice that it had set December 16, 2019 as the date of its Annual General Meeting of Shareholders, instead of the previously announced date of November 25, 2019. The Company had previously set October 17, 2019 as the record date for notice, voting and beneficial ownership determination date. On November 21, 2019, the Company also filed the Management Information Circular and Form of Proxy.**

**On November 22, 2019, the Company announced that it has completed the drying and curing phase of its crop of hemp and seeds in Maine. Both crops achieved yields that outpaced the Company's current apparatus for seed extraction, plant bucking, processing and storage. To address the success of this year's harvest, Future Farm is in the process of acquiring more robust seed extraction and cleaning equipment, additional resources for storage and transportation and larger industrial scales.**
