**Future Farm to Showcase Company Growth at the 8th LD Micro Invitational & Announces Research Report by RB Milestone Group**

May 31, 2018 – *Vancouver, British Columbia* - Future Farm Technologies Inc. (the “Company” or “Future Farm”) (CSE: **FFT**) (OTCQX: **FFRMF**) is pleased to announce that it will be presenting at the 8th annual LD Micro Invitational on Monday, June 4th at 4 PM PT/ 7 PM ET at the Luxe Sunset Boulevard Hotel in Los Angeles, CA. Thomas L. Barrette, the Company’s General Counsel, will be presenting and meeting with investors.

“We are grateful to LD Micro for including us in this great conference and look forward to sharing our exciting story with those attending,” says Mr. Barrette.

Mr. Barrette will be highlighting the Company’s Q1 accomplishments including new partnerships and plans for future strategic growth. He will also be discussing the status of current projects under development.

The conference will feature 230 companies in the small-cap / micro-cap space and will be attended by over 1,000 individuals. View Future Farm’s profile here: <https://www.ldmicro.com/profile/FFRMF>.

If you would like to schedule a meeting with Future Farm, please contact Trevor Brucato, Managing Director of U.S. based consulting firm RB Milestone Group, LLC (“RBMG”), at [tbrucato@rbmilestone.com](mailto:tbrucato@rbmilestone.com).

The Company also announces that an analyst's research report has been released by RBMG. The report provides an in-depth overview of the Company's divisions: cultivation/vertical farming, cannabis extraction and processing, cannabis retail, and technology. It also provides an investment rationale, SWOT analysis, and an overview of the dynamics of the medical cannabis industry and LED industry trends.

A copy of the research report can be accessed by visiting the homepage of Future Farm's corporate website (<https://futurefarmtech.com>) or by contacting Trevor Brucato.

## **About Future Farm Technologies Inc.**

Future Farm is a Canadian company with holdings throughout North America including California, Massachusetts, Florida, Maine, Puerto Rico and Newfoundland. The Company's mission is to advance sustainable agriculture through production of wholesale and retail cannabis products, including hemp. As a leader in its field, Future Farm is committed to using only the highest quality processes and products. Towards this goal, the Company acquires or partners with licensed cannabis operators, and acquires or develops leading technologies in cannabis production, breeding, genetics, and Controlled Environment Agriculture (CEA). Future Farm's scalable, indoor CEA systems utilize minimal land, water and energy resources. The Company holds an exclusive, worldwide license to use a patented vertical farming technology that, when compared to traditional plant production methods, generates yields up to 10 times greater per square foot of land.

## **About LD Micro**

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. The firm hosts several influential conferences annually (Invitational, Summit, and Main Event).

In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and micro-cap universe.
