NEWS RELEASE

Future Farm Completes Strategic Financing to Support Key Initiatives

May 22, 2019 - *Vancouver, British Columbia* - Future Farm Technologies Inc. (the “Company” or “Future Farm”) (CSE: **FFT**) (OTCQB: **FFRMF**) is pleased to announce that it has closed on a new investment from a fund of Yorkville Advisors Global, LP (“Yorkville”). Proceeds from the private placement will be used to refinance a previous investment made by Yorkville, to support the continued development of the Company’s projects and to fund the Company’s effort to raise additional working capital to accelerate growth.

“Yorkville continues to be a very supportive partner for our endeavors.” comments William Gildea, CEO of Future Farm.

Under the terms of the Yorkville financing, the Company has entered into two Secured Convertible Debentures. One Debenture is in the Principal Amount of US\$1,851,163, which refinances the principal and accrued interest on the Convertible Debenture entered into with Yorkville in November 2018. The other Debenture is in the principal amount of US\$400,000, which was paid to the Company in cash net of certain fees and expenses. The new Debentures bear annual interest at 8% and are repayable within 12 months, or convertible into Common Shares of the Company at a price of C\$0.14 per share.
