## **FRIDAY NIGHT INC. PROVIDES UPDATE ON AMA EXPANSION**

**VANCOUVER, B.C., CANADA (16 Oct 2017)** – Friday Night Inc. (Friday Night) (CSE: TGIF) (FWB: 1QF) (OTC: VPGDF) is pleased to provide a progress update on the Nevada expansion and construction process for its subsidiary, Alternative Medicine Association (AMA).

AMA has received the approval of the Nevada Clark County's Sunrise Manor Town Advisory Board on its proposed construction of a commercial building for cannabis cultivation under the Planning and Zoning Design Review. This planning and zoning matter approved at this meeting is now forwarded to the Board of County Commissioners (BCC) for final action at their November 8<sup>th</sup>, 2017 meeting.

This specific milestone shows a positive and welcoming acceptance at the local level to AMA's building expansion for its new cultivation center. The final step in the Land Use Application for this site will be the scheduled item on the November 8<sup>th</sup> agenda.

Mark Zobrist, Manager of AMA, stated, "Once we obtain the County Commissioners approval on November 8<sup>th</sup>, we will finalize the land purchase and anticipate beginning actual construction by mid November. This is a significant advancement of this project."

In addition to the above, Alternative Medicine Association has submitted and received the necessary building permits to begin construction once the final approvals are in place. John Goss, President, stated "By transferring the old building permit number, we have effectively shortened the start up time by at least 3 months. If all goes as expected, we anticipate completing the first 33,000 sq. ft. of new cultivation space by May of 2018. In a market with short supply, this will result in a significant increase in sales."
