Part 2. Acquisition

1. Provide details of the assets to be acquired by the Issuer (including the location of the assets, if applicable). The disclosure should be sufficiently complete to enable a reader to appreciate the significance of the transaction without reference to any other material:

On August 25, 2021, the Issuer announced that it had entered a definitive agreement to acquire 100% of the issued and outstanding shares Lucid Psycheceuticals Inc. (“Lucid”), a Canadian-based specialty psychedelic pharmaceutical company focused on the development of therapies to treat critical neurodegenerative diseases, for approximately CAD\$11.3 million in Class B Shares (the “Transaction”).

2. Provide details of the acquisition including the date, parties to and type of agreement (eg: sale, option, license etc.) and relationship to the Issuer. The disclosure should be sufficiently complete to enable a reader to appreciate the significance of the acquisition without reference to any other material:

The definitive agreement takes the form of a Master Agreement among Lucid, the Issuer and 2861435 Ontario Inc., a wholly-owned subsidiary of the Issuer (“Subco”). The Transaction will be effected by way of a three-cornered amalgamation between Lucid, the Issuer and Subco. The Transaction will involve the issuance of approximately 4.5 million Class B Shares as the acquisition consideration (the “Consideration Shares”), with a deemed aggregate purchase price of approximately CAD\$11.3 million at a deemed price of CAD\$2.51 per Class B Share. The Consideration Shares may be adjusted slightly in the event the market price of the Class B Shares changes significantly prior to closing of the Transaction. Additionally, all of the outstanding Lucid stock options and warrants will become exercisable into Class B Shares, with the number and exercise price of such securities to be adjusted in accordance with the Transaction’s exchange ratio.

The closing of the Transaction is subject to customary closing conditions for a transaction of this nature. Shareholder approval for the Transaction was obtained at a special meeting of Lucid shareholders held on September 13, 2021. The closing of the Transaction is expected to occur on or about September 21, 2021.

Additionally, Lucid shareholders holding approximately 44% of the shares of Lucid, have entered into lock-up agreements with the Issuer pursuant to which: (a) 20% of the Consideration Shares received by each such locked-up shareholder will be exempt from any contractual transfer restrictions imposed by the Issuer; and (b) 80% of the Consideration Shares received by each such locked-up shareholder will be subject to contractual transfer restrictions, with such Consideration Shares to be released from such transfer restrictions over an 18 month period from the date of closing the Transaction.

Anthony Durkacz, a director and control person of the Issuer, is also a shareholder and warrant holder of Lucid, through a company he beneficially owns, and consequently the Transaction constitutes a "related party transaction" within the meaning of Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions ("MI 61-101"). In its consideration and approval of the Transaction, the board of directors of the Issuer, with Mr. Durkacz recusing himself, determined that the Transaction will be exempt from the formal valuation and minority approval requirements of MI 61-101 on the basis of the exemptions in Sections 5.5(a) and 5.7(1)(a) of MI 61-101.
