About FSD Pharma

FSD Pharma is focused on the development of the highest quality indoor grown, pharmaceutical grade cannabis and on the research and development of novel cannabinoid-based treatments for several central nervous system disorders, including chronic pain, fibromyalgia and irritable bowel syndrome. The Company’s phase one growth plan involves the development of 25,000 square feet of indoor grow space at its Ontario facility and an additional 220,000 square feet, which pending approval by Health Canada, is expected to be operational in the first quarter 2019.

FSD facilities sit on 72 acres of land with 40 acres primed for development and an expansion capability of up to 3,896,000 square feet.

FSD’s wholly-owned subsidiary, FV Pharma, is a licensed producer of cannabis having received its cultivation license under the Access to Cannabis for Medical Purposes Regulations (ACMPR) on October 13, 2017 and is now operating under the recently enacted Cannabis Act. FV Pharma vision is to transform its current headquarters in a Kraft plant in Cobourg, Ontario into the largest hydroponic indoor grow facility in the world. FV Pharma intends to cover all aspects of this exciting, new industry, including cultivation, legal, processing, manufacturing, extracts and research and development.
