MONTHLY PROGRESS REPORT

Name of Listed Issuer: FendX Technologies Inc. (the "Issuer").

Trading Symbol: FNDX

Number of Outstanding Listed Securities: 9,340,161 (as at May 31, 2026)

Date: June 3, 2026

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

During the month of May, the Issuer continued its research and development and scale-up activities on its nanotechnology products in development. The Issuer is continuing its work on its liquid surface coating (formerly referred to as the spray coating) where a contract manufacturer has commenced pilot scale-up work to create larger batch sizes of the liquid surface coating for

further testing as well as to assess the manufacturing process. The Issuer also continued its development collaboration with McMaster University ("McMaster") on the Issuer's Foley catheter coating.

2. Provide a general overview and discussion of the activities of management.

During May, management focused on continuing oversight of its research and development activities being conducted at McMaster to advance its Foley catheter project and the third party contract manufacturer who will conduct pilot scale-up of its liquid surface coating to create larger batch sizes for further testing. Management was successful in entering an amendment to the Catheter CRA with McMaster to extend the term of the Catheter CRA to November 30, 2026 at no additional cost to the Issuer.

Management continues to focus on pursuing business development opportunities involving other technologies and/or products to complement the Issuer's current portfolio. During May, management also continued working with a third-party to develop the underlying detection methods and supporting data related to a microbial detection app. The Issuer is also preparing to engage a software developer to build the application.

Management also attended to administrative matters, business development, and general management, including filing of the Issuer's interim financial statements. The Issuer holds regular management meetings regarding its business plan and executes action items that result from these meetings.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

N/A

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

N/A

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

N/A

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

N/A

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.
- N/A**
8. Describe the acquisition of new customers or loss of customers.
- N/A**
9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.
- N/A**
10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.
- N/A**
11. Report on any labour disputes and resolutions of those disputes if applicable.
- N/A**
12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.
- N/A**
13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.
- During May 2026, the Issuer received a loan of \$50,000 from an associate of a Related Party and received a loan of \$10,000 from a Related Party. The loans are non-interest bearing and have no fixed term of repayment.**
14. Provide details of any securities issued and options or warrants granted.
- N/A**
15. Provide details of any loans to or by Related Persons.
- See item 13.**
16. Provide details of any changes in directors, officers or committee members.
- N/A**
17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The recent emergence of global health threats, including the COVID-19 pandemic, a highly virulent variant of Mpox, interspecies transmission of avian influenza, and the rise of drug-resistant bacteria, highlights the importance of controlling the spread of pathogens. Many pathogens can spread via surfaces, posing potential public health risks. Global health authorities, like the CDC and WHO, are focused on developing strategies and recommendations to reduce pathogen transmission. The Issuer believes its surface protection products in development may contribute to the broader effort to mitigate pathogen transmission.

Certificate Of Compliance

The undersigned hereby certifies that:

1. The undersigned is a director and/or senior officer of the Issuer and has been duly authorized by a resolution of the board of directors of the Issuer to sign this Certificate of Compliance.
2. As of the date hereof there is no material information concerning the Issuer which has not been publicly disclosed.
3. The undersigned hereby certifies to the Exchange that the Issuer is in compliance with the requirements of applicable securities legislation (as such term is defined in National Instrument 14-101) and all Exchange Requirements (as defined in CNSX Policy 1).
4. All of the information in this Form 7 Monthly Progress Report is true.
