Report on Business

1. Provide a general overview and discussion of the development of the Issuer’s business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer is a diversified energy company that manages solar energy investments in Ontario, Canada through its subsidiaries, and has oil and gas interests in Alberta, Canada, from which it earns royalty income.

There were no other significant developments in the Issuer’s business during the month of August 2019.

2. Provide a general overview and discussion of the activities of management.

The Issuer continues to evaluate new projects and investment opportunities, focusing on the renewable energy sector that have the potential to bring cash flow and enhance shareholder value. This may occur by way of direct investment in projects or through its solar management segment.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

Refer to items 1 and 2, above, for further details.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

None.

5. Describe any new business relationships entered into between the Issuer, the Issuer’s affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.
