Canadian Securities Exchange

Toronto, ON

Dear Sir/Madam:

Re: Fundamental Change of CleanGo Innovations Inc. (formerly Softlab9 Technologies Inc., the “**Issuer**”)

The Issuer hereby applies to have the following securities qualified for listing, on the Canadian Securities Exchange (“**CSE**”): **common shares**.

The Issuer has acquired (the “**Acquisition**”) a 100% interest in Clean Go Green Go Inc. (“**CGGG**”) pursuant to an arrangement agreement and plan of arrangement dated November 20, 2020 between the Issuer and CGGG, pursuant to which, among other things, the Issuer exchanged its shares for the shares of CGGG, which thereby became a wholly-owned subsidiary of the Issuer. In connection with the Acquisition, the Issuer changed its name from ‘Softlab9 Technologies Inc.’ to ‘CleanGo Innovations Inc.’ to better reflect the nature of its post-Acquisition business, which is the business of CGGG.

The Acquisition resulted in a Fundamental Change pursuant to CSE Policy 8 and is intended to qualify the Issuer’s issued and outstanding common shares and any common shares to be issued on exercise of the warrants outstanding of the Issuer.

Please find enclosed the Form 1B Listing Application, Form 2B Listing Summary and the supporting documents set out in Appendix A to the Listing Application. A wire transfer representing the outstanding balance of 15,000 plus GST on account of the fundamental change fee has been wired to the CSE on today’s date.

Yours very truly,

CLEANGO INNOVATIONS INC.
