## Connecticut

No updates to the pending Connecticut matter since it was last reported in the Issuer's Form 7 as filed on June 6, 2019.

## Florida

Curaleaf's subsidiaries in Florida are currently involved in an arbitration and litigation against certain minority shareholders of its Florida operations. On December 10, 2018, Jayson Weisz and SRC Medical Partners, LLC ("SRC") ("Claimants") initiated an arbitration against PalliaTech Florida LLC, in which they are seeking certain "books and records" of PalliaTech Florida and Curaleaf Florida LLC, as well as their costs and attorneys' fees to obtain those records. On February 20, 2019, Claimants filed an Amended Demand for Arbitration in which they also sought an order to compel PalliaTech Florida LLC to appoint Scott Robins to the Board of Managers of Curaleaf Florida LLC. On March 6, 2019, PalliaTech Florida LLC responded that it has provided Claimants with all requested books and records, and that they no longer have the right to select an individual to serve on the Board of Managers as a result of their previous decision not to make such an appointment, their intervening transfers of their equity, and their intervening initiation of an arbitration against PalliaTech Florida LLC. On March 19, 2019, nominal Plaintiffs Jayson Weisz and SRC derivatively on behalf of Plaintiff PalliaTech Florida LLC filed a complaint against Defendants Curaleaf Florida LLC, PalliaTech Florida, Inc., Joseph Lusardi, and Boris Jordan in the Complex Business Litigation Section in the Circuit Court of the Eleventh Judicial Circuit in and for Miami-Dade County, Florida ("Complaint"). Plaintiffs' derivative Complaint seeks the judicial dissolution of Curaleaf Florida LLC and asserts various causes of action against Defendants, including for breach of contract, civil conspiracy, breach of fiduciary duty, fraudulent transfer, and a declaratory judgment appointing Robins to the Board of Managers. On April 17, 2019, Weisz, SRC and JRF Group LLC filed a Second Amended Demand for Arbitration against PalliaTech Florida LLC, PalliaTech Florida, Inc., and Lusardi requesting the judicial dissolution of PalliaTech Florida LLC, and asserting claims for breach of contract, shareholder right to inspect books and records, civil conspiracy, breach of fiduciary duty, and declaratory relief. On May 17, 2019, Weisz, SRC, and JRF Group derivatively on behalf of PalliaTech Florida LLC filed an Amended Complaint ("Amended Complaint"). The Amended Complaint added JRF Group as a nominal Plaintiff, but is otherwise nearly identical to the Complaint. On May 28, 2019, Defendants filed a motion to compel arbitration as to the claims against PalliaTech Florida, Inc. and Curaleaf FL and otherwise to dismiss the claims for judicial dissolution, civil conspiracy, breach of fiduciary, fraudulent transfer, and declaratory relief, or, in the alternative, to stay all proceedings pending the resolution of the parallel arbitration. On June 24, 2019, Plaintiffs filed a Second Amended Complaint. The Second Amended Complaint is very similar to the Amended Complaint, but includes new claims for equitable dissolution of Curaleaf FL and aiding and abetting breach of fiduciary duty against

**Jordan. On July 5, 2019, Defendants filed a motion to compel arbitration and otherwise dismiss the Second Amended Complaint. On July 29, 2019, the Court heard oral argument on Defendants' motion.**

**Curaleaf will continue to vigorously defend the claims made in the arbitration and litigation proceedings.**

### **FDA**

**On July 22, 2019, the FDA issued a warning letter to Curaleaf in which it set forth its determination that certain CBD products sold on Curaleaf's website were "misbranded drugs" under the United States Federal Food, Drug, and Cosmetic Act. Upon receiving the letter, Curaleaf Hemp, Curaleaf's hemp-based CBD product line, immediately began an extensive review of its website and social media platforms to remove all statements that FDA identified as non-compliant. This included removing the Curaleaf Hemp blog, and the third-party links in it, and removing any statements and social media posts to which FDA had taken exception. On July 25, 2019, Curaleaf responded to the FDA letter informing the FDA that Curaleaf had addressed the issues that were raised in the letter regarding its CBD product marketing. Additionally, Curaleaf advised the FDA that a number of the products mentioned in the FDA letter had previously been discontinued. Curaleaf will continue to work diligently to ensure that information it provides to consumers on its website and social media platforms are fully compliant with FDA requirements.**

**Curaleaf is currently defending against purported securities class actions alleging similar claims based on the FDA's July 22, 2019 warning letter to Curaleaf and the promotion of Curaleaf's CBD products.**

### **Massachusetts Cannabis Control Commission**

**On August 8, 2019, the Massachusetts Cannabis Control Commission ("CCC") issued an order and stipulation of agreement whereby the CCC and Curaleaf Massachusetts, Inc. ("Curaleaf MA") agreed that Curaleaf MA had violated the CCC regulations by closing the reverse take-over of Lead Ventures Inc. by Curaleaf before seeking approval from the CCC by way of an Application for Change of Ownership and Control. As resolution of any further administrative enforcement action from Curaleaf MA's violation, Curaleaf MA agreed to make a monetary fine in the amount of \$250,000 no later than thirty days after the Application for Change of Ownership and Control is approved by the CCC. In its order, the CCC acknowledged, amongst other things, that (i) Curaleaf MA's violation was the result of Curaleaf MA's good-faith but mistaken interpretation of the CCC's regulations; (ii) Curaleaf MA had fully cooperated with the CCC's investigation; (iii) as a result of the application, Curaleaf MA was able to comply with its disclosure and background check obligations under the regulations; (iv) all of the individuals and entities disclosed in the application had satisfied their background checks; (v) Curaleaf MA's deficiencies did not put public health or safety at risk; (vi) as a provisional licensee, at no time was Curaleaf MA operating adult-use facilities without having disclosed its ownership structure; (vii) Curaleaf MA and Curaleaf, Inc. had demonstrated a commitment to compliance through their cooperation with the CCC and**

their dedication of significant resources to hiring compliance personnel; (viii) Curaleaf MA had taken all possible corrective actions to remedy its violations; and (ix) Curaleaf MA's submission of the Application for a Change of Ownership and Control Request shall be deemed an acceptable plan of correction.
