Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

On February 4, 2019, the Issuer received the final Receipt from the British Columbia Securities Commission for its non-offering Prospectus. The Issuer completed its listing on the Canadian Securities Exchange (the "CSE") and on February 12, 2019 its common shares were listed for trading on the CSE under the symbol DFT.

2. Provide a general overview and discussion of the activities of management.

During the month ended February 28, 2019, management continued to work towards completing the listing of the Issuer's common shares on the CSE. Management continued to further develop the Zimtu Advantage App which will be rebranded as "investorbase" and will be accessible on investorbase.ca. The updated version is expected to be rolled out in March 2019. In February, management signed a management services agreement with Zimtu Capital Corp. (a related party) at a cost of \$5,500 plus GST/HST per month. Zimtu Capital Corp. will provide the following services to the issuer: office space, professional services, as well as administrative and management support services. The effective date and start date of the agreement is March 1, 2019; the termination date is November 30, 2019. The agreement may be renewed at the end of the term or cancelled by either party with one months' notice.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

None.

15. Provide details of any loans to or by Related Persons.

None.

16. Provide details of any changes in directors, officers or committee members.

None.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The Issuer's success depends on the continuation of stock trading and the ability of products to add new users, sell licensing and generate revenue. Future revenues will be largely dependent on the Issuer's ability to generate revenue from third parties advertising within the Issuer's products. Changes in media trends which affect user adoption and marketing habits may significantly affect the Issuer's ability to collect revenue in the future. If third party marketers decide that the Issuer's products are experimental or unproven, or if third party policies limit the Company's ability to deliver or target advertising on mobile devices and desktop, or if adverse legal developments arise relating to advertising, including legislative and regulatory developments and developments in litigation, or if the Company's products are unable to sustain or increase the value of its ads or marketers' ability to analyze and measure the value of its ads, or if trends for advertising on mobile devices or on personal computers changes, the Company's advertising revenue could be adversely affected.
