June 2, 2020

The Company announced that they would be relying on the BC Instrument 51-515 – *Temporary Exemption from Certain Corporate Financing Requirements* which provided the Company with a 45-day filing extension with respect to the interim Financial Statements for the period ending March 31, 2020.

June 15, 2020

The Company also reported a non-cash asset impairment charge of \$800,000 in respect of certain intangible assets owned by the Company. As a part of the Company's annual goodwill impairment test, the Company's market capitalization was compared to our estimate of fair value for certain tangible assets, primarily intellectual property.
