

FORM 7

Name of Listed Issuer: **Data Deposit Box Inc.** (the "Issuer").

Trading Symbol: **DDB**

Number of Outstanding Listed Securities: **72,062,165**

Date: **August 4th, 2017**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's on-going business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. **Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.**

The Issuer continued development of its NAS (Network Attached Storage) solution, and continued negotiations with distributors and other potential partners for the sale of its storage products. The number of partners selling the NAS continues to increase month over month as we strengthen our partnerships with current and potential partners across the globe.

Provide a general overview and discussion of the activities of management.

Management was primarily focused on negotiating new enabler contracts, ensuring a smooth and successful launch of its new NAS solution, and also raising additional capital from the issuance of equity securities. Management was very active in enhancing the NAS product based on customer feedback.
