The COVID-19 pandemic continues to evolve, and new information emerges regularly. This may affect the Issuer’s ability to obtain debt and equity financing to fund ongoing exploration activities.

The Issuer continues to take action to minimize the risks of the COVID-19 virus for employees, contractors and other people participating in ongoing operations, programs, and activities. Although there have been no known or suspected cases of the virus reported at workplaces either in Canada or the United States, the health and safety of the work force remains a priority. The Issuer continues to follow government health protocols including the continued “work from home” protocol for personnel whose attendance at the office or work sites is not critical.
