

FORM 7

Name of Listed Issuer: **Data Deposit Box Inc.** (the “Issuer”).

Trading Symbol: **DDB**

Number of Outstanding Listed Securities: **98,559,577**

Date: **June 5, 2018**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer’s obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer’s on-going business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered, nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term “Issuer” includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. **Provide a general overview and discussion of the development of the Issuer’s business and operations over the previous month. Where the Issuer was inactive disclose this fact.**

Data Deposit Box continued to provide Data Backup Storage solutions to their customers and resellers. Continued efforts are made to widen their target scope and attract new clients from the market place.

Provide a general overview and discussion of the activities of management.

Management is executing its' "back to growth" plan for 2018. The plan is supported by several key activities that include:

1. Improving the business
 - a. Lowering the cost of operations and COGS
 - b. Improving customer retention and marketing/sales funnel efficiencies
 - c. Increasing customer satisfaction and engagement
2. Growing the business
 - a. Increasing Average Revenue Per Customer (ARPC)/Partner
 - b. Increasing the number of customers

2. Describe and provide details of any new products or services developed or offered.

The Company launched product enhancements/changes that included:

- Two Factor Authentication (2FA) – 2FA via mobile device, providing a second security layer for identity confirmation; reducing fraud and cyber-security risks.
- Synology release of the Data Deposit box application by Synology Inc. and availability of the application in the Synology Package Centre.
- Email Archiving - ensures regulatory compliance, helps firms manage data storage more effectively, and ensures business continuity. The email archiving application supports Microsoft Exchange (cloud and on premises), IBM email platforms (cloud and on premises), Rackspace Hosted Email, Google Apps / Gmail and many others.
- LiveLink Web - a patented, web based remote device management application provides IT professionals with native, remote device access, without the use of a VPN.

3. Describe and provide details of any products or services that were discontinued. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.
